CRUEL SPORTS ARE CONDEMNED

Opposition Develops at Meeting of Protest in London: Reference to Football

LONDON, Dec. 23.— A recent meeting at Church House, Westminster, was marked by interruption, noise, and excitement. Called by the League for Prohibition of Cruel Sports, it had Sir George Greenwood, President of that League, for chairman. He was giving details of the scenes attending the hunting of carted deer and the wild deer on Exmoor when a member of the audience who had been making dissentient exclamations called out, "You are speaking on a subject I have some knowledge of. I hope you will be careful in your facts."

The Chairman said he was speaking of things he and others had seen.

"Are you going to give me an opportunity to reply?" asked the interrupter.

"Certainly," replied the Chairman. "I would rather you replied than made irregular interruptions." It might not be generally known, he added, that there was hunting of the fallow deer in the New Forest. Although in 1851 the deer were removed by the Crown they had been reintroduced by landowners and the hunting of these gentle fallow deer, which attracted crowds who come out in motor cars, involved cruel wounds and death to the deer, which sometimes were left maimed in the recesses of the forest. He denounced "the abominable sport of rabbit coursing," with its betting, shouting, howling followers; and afterwards moved a resolution of protest against "all sports of hunting an animal to death for human pleasure."

In supporting this resolution Henry W. Nevinson said it was the death that made sport interesting to the sportsmen.

Donald MacLeod, of the British Olympic Council, spoke amid some interruption, and, referring to football and other games as a contra to "blood sports," was told by one of the opposition, "Football is not a sport; it is only a game."

The resolution was carried, a few voting against it, and the meeting dispersed amid hunting calls and counter cheers.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.

SPORT CHAT

Charles Stoneham, chief owner of the New York Giants, has offered Jack Dempsey $500,000 and a percentage of the gate receipts to risk his new nose and incidentally his old title with Harry Wills, the negro heavyweight, at the Polo Grounds on July 4, 1926. The offer is about as good as Dempsey can now expect and Gotham sporting circles are inclined to believe it will be accepted unless the champion has decided definitely that he is through with the ring for keeps.

Cycle racing for Women under National Cyclist's Union rules has been approved by the council of this Old Country body. Considerable argument preceded the decision, but it was later also agreed that suitable rules should be formulated for the governance of this form of feminine sport. At a Rugby match at Richmond between St. Thomas Hospital staff and Civil Service members two women attired in the new fashionable Russian boots acted as touch judges, the judges originally selected having failed to turn up. The weather was bitterly cold, and the ladies borrowed heavy overcoats from the players.

G.W.V.A. 'XMAS. TREE.

The Christmas tree entertainment put on by the G.W.V.A. yesterday afternoon was a great success. About seventy children attended, accompanied by their parents, and had the time of their lives. During the afternoon the ladies served refreshments to the adults and kiddies.

BAPTIST CHURCH OBSERVES XMAS

Fine Entertainment Was Staged by Sunday School Last Night

The Baptist Church was packed to the doors last night with children and their parents, the occasion being the annual Christmas tree entertainment. Everybody voted it the most successful event of its kind ever held by the Sunday school scholars. P. H. Linzey acted as chairman. The interior was prettily and seasonally decorated.

The concert, preceding the distribution of gifts by Santa Claus, was thoroughly enjoyed and reflected great credit upon those responsible for the training of the children. The program was as follows:

Recitations by Jack Sheehan, Ralph Smith, Miss Georgina Lamb, Miss Betty Smith, Miss Eva Morris and Miss Bedilia Thurber; chorus by the Primary department; vocal duets by the Misses Muriel Vance and Mabe Ivarson; exercise, "The Prince of Peace," by the Sunbeam class; dialogue, "The Doctor," by the Misses Eileen Hamblin and Gracie Allen; playlet, "A Strike in Santa Claus' Land," by the Misses Thelma Bunn, May Jones, Joan Arthur, Enyd Morris, Betty Smith, Viola Carr, and Ralph Johnson, Robert Gilker, Tommy Johnson and Kenwood Green.

At the close of the concert each scholar received a gift and a box of candy from the heavily laden tree.

The committee responsible for the success of the evening consisted of the Sunday school teachers assisted by Mrs. Hamblin, Miss Dawson, Mrs. Hibbard, Mrs. Houston, Mrs. P. H. Linzey and Rev. E. G. Turner.

ORDERS OF THREE LINKS HELD XMAS TREE YESTERDAY

Some 70 or 80 kiddies were in attendance at the Oddfellows' and Rebekahs' Christmas Tree Entertainment which was held yesterday afternoon in the Boston Hall. The affair was a complete success and a source of great enjoyment to all those present.

At the conclusion of a splendid program of songs, musical numbers and recitations in which Beulah McKinley, Aleita McKinley, Garfield McKinley, Meril West, Marjorie Wilson, Beatrice Berner, Evelyn Dalgarno, Eric Berner, Edith Wilkinson, Jimmie Irvine, Hazel Smith, Edna McLean, Jean McLean, Rosie Cox, Edna Ireland, Phyllis Ireland, Doris Leek, Muriel Eby, and Connie Morgan took part, Santa Claus arrived on the scene and distributed gifts and sweets from the bountifully laden tree.

Mrs. Smoke acted as chairman and the committee in charge consisted of Mrs. S. V. Cox (convener), Mrs. J. Boddie, Mrs. W. A. McLean, Mrs. J. McIntosh, Mrs. James Irvine and Mrs. J. W. McKinley.

Jack Boddie proved of invaluable assistance in connection with the affair.

PRISONERS GO SOUTH.

Inspector William Spiller and Constable Fred Markland of the provincial police will sail tomorrow morning on the Prince Rupert for the south with the following prisoners in their custody: Frank and Alex Bird and Albert Pierraway, committed for trial on a murder charge; J. S. Barnes, of Prince Rupert, 18 months at Okalla for forgery. William Hoult of Terrace, two months for an infraction of the Game Act, and Ed. Hoppe of Smithers, six months for vagrancy.

TURTLE SERUM FOR TUBERCULOSIS IS PROVING SUCCESS

BERLIN, Dec. 24. —A Munich medical weekly journal publishes a report by Dr. Willes, veterinary surgeon of Hagenbeck's Zoo at Hamburg, who claims that he has successfully used Professor Firedmann's turtle serum for tuberculosis on baboons. Dr. Willes states that while forty animals not inoculated died of consumption, forty others inoculated recovered and remained healthy.

FEWER IN JAIL.

VICTORIA, Dec. 23.—Less than half as many people are in jail now in British Columbia as was the case before the war, and only two jails are needed, compared with seven in those days, according to Attorney-General A. M Manson.

The actual number of inmates in provincial jails last year was 1353, against 3363 in 1913.
