constructed at Jasper

Major Motherwell, chief in-VANCOUVER, July 15. - Folspector of fisheries for the prolowing a full day here today, vince, accompanied by Field Marshall Earl Haig and Motherwell, reached the city the party of distinguished offiyesterday on the Malaspina. He cers who are accompanying him. has been making an ipspection will commence the return jourtrip with A. Mackie, inspector for ney across Canada by special This district. train over the Canadian National

Railways leaving Vancouver at ... tion in general, Major Motherwell said at this time the prospects were encouraging, and will be at Jasper. Afberta, where comparing the situation the party will be guests at Jasfour years ago, it seemed rather per Park from 9:30 Thursday more promising. night until 10:45 Saturday

The various fishing grounds morning. Although the Field so far have been doing very well The Naas is somewhat in advance of four years ago when the fishling there was very poor and th Skeena also is doing very well Of course, he said, there are so many factors to be taken into consideration that it is difficult always to draw conclusions of make predictions. The weather undoubtedly had a great deal to do with fishing. While there are many four year old fish being caught which would show that many were able to get through to the spawning grounds four years ago, also there were five year old fish as well and the general average was considered lgood so far.

Rivers Inlet

Fishing at Rivers Inlet is very good and at Smiths Inlet run of sockeye has been rather katoon. From 7:50 a.m. until too heavy for the canneries take care of.

The amount of fish caught this year should be above average. for the department of fisheries has issued a great number more seining licenses. Also the number of fishing boats with engines has increased quite considerably on the Skeena over last changing of engines and the year, and has shown a steady inwatering of cars. The party will crease since permission was remain in Port Arthur until granted to use motor boats.

Work of Planes

In speaking of patrol work Major Motherwell said Sarnia which will be reached at three planes would be stationed here now for the rest of the they will take train for Toronto fishing season, and this would A short stop being made at Lon- permit a very good patrol. "From Contented Cows"

of Move Now on Foot to Bring Capt. George Ash Here for Exhibition

The Fair Board had its regular monthly meeting last evening. Matters of considerable importance came up for discus-

Owing to the small number of High, School students offering in Speaking of the fishery situa- gether with the fact that younger candidates are inquiring, the WANTED. - Plain dressmaking Board has widened the scope of the contest so that students of either the Seventh or Eighth grade, public school, may enter.

A feature of the meeting was FOR SALE .- Stove troubles solthe decision to immediately open further negotiations with the management of the Dominion Art Gallery and Museum at Ot. tawa with a view to obtaining an exhibit of some of its world famous pictures. The matter has been under consideration of the executive for some time.

Another important announcement has to do with the sports and attractions. For weeks let ters have been passing. Now it is thought that the Board will be able to introduce as a special feature of the Exhibition Captain George Ash (in person). Cap-Itain Ash is a world famous cowlboy, soldier of fortune and author. In presenting his pastimes of the Far West the public will be treated to an exhibition of genuine shooting at small targets and spinning the contest llasso. This entertainer is unique as a character in the open air entertainment world and his FURNITURE and Ranges bought references include outstanding figures in very many countries. Quite a number of voluntary tenders were in covering usual carnival concessions. phase of the Fair is being absorbed by people belonging to the city. With the purpose of FOUR Roomed House for Sale on getting matters pertaining to revenue settled, pending any necessary adjustment of contracts, the offers were in the main accepted.
