River country.

EDMONTON, July 15.—The Peace River outlet, the ques-tion of marketing by the Pacific route and the banking situation were the principal matters under discussion at yesterday's session of the western civic officials conference.

W. A. Rae of Peace River Crossing put up a strong plea for is district securing adequate transportation.

Premier Greenfield, who followed Mr. Rae, stated there vas little hope at the present time for the construction of a new Wife of Manager at St. Davids, ine to the coast as estimates of engineers of both transcontinenal lines showed the cost to be prohibitive. However, the present freight

Famous General Spoke Before Ex-Service Men in Impressive Manner

VANCOUVER, July 15-Unity, comradeship and peace was he doctrine which was preached by Field Marshal Earl Haig, famous leader of the British Empire's military forces in France during the World War, at a gathering of several thousand exservice men in the arena last night.

The great British soldier, in plain language with modest demeanour and manner which left no doubt as to his sincerity of purpose, delivered an exhortation to all ex-service men to unite under one banner in friendship for the advancement of the British Empire and the ush-
