## SAILORS ARE ENTERTAINED

Great War Veterans were Hosts to Personnel of H.M.S. Capetown

The smoker and concert given by the Great War Veterans last evening at their club rooms in honor of the officers and men of H.M.S. Capetown was a complete success from every point of view. About two hundred of the ship's company were present in addition to a large number of the members of the Association. There was not a dull moment in the whole program which was rather an impromptu one.

Mayor Newton extended the welcome of the city to the men of the Capetown and Commander Knowles, D.S.O., responded on behalf of the personnel of the cruiser. Several numbers were given by men from the ship which were very much appreciated by the company. The local persons who contributed to the program included S. K. Campbell, whose number was encored, R. James, W. Murray, the Regimental Band, J. Judge, Bandmaster Wilson and Consul Wakefield. The Consul, in his usual humorous manner, introduced a few good stories among them a few dealing with the dusky Ethiopian, W. Vaughan Davies and S. Thompson were accompanists for the evening, and their services were very much appreciated.

Promptly at midnight the very enjoyable evening was brought to a close by the singing of the National Anthem.

## FISH JOURNAL EDITORS HERE

J. E. Munson of Canadian Fisherman and Stedman H. Gray of Pacific Fisherman are here.

The editors of two well known fishing journals arrived in Prince Rupert yesterday afternoon from different directions. They are J. E. Munson of Montreal, editor of the Canadian Fisherman, and Stedman H. Gray of Seattle, editor of the Pacific Fisherman, both of whom are today registered at the Prince Rupert Hotel. Mr. Gray arrived from the north on the Princess Charlotte and Mr. Munson came by train from the East. Both are on tours of the coast and will spend a day or so in Prince Rupert.

Mr. Gray, who left Seattle on June 10 for the north, visited Sitka, Petersburg, Ketchikan and other Alaska fishing centres and spent some time in the Chatham Straits herring districts where he noted a marked increase in the reduction industry. The operators there are having a successful year.

The salmon pack appears to be a failure in Alaska this year. Cannery men in southeastern Alaska have been worrying over the fact that pinks have not yet shown up but there is still a chance of a good pack if the fish appear this week in quantity.

It is the first visit here of both Mr. Gray and Mr. Munson. Their meeting here yesterday was a surprise to both and was a pleasant one, Mr. Munson having been formerly on Mr. Gray's staff on the Pacific Fishermen. They both expect to sail for the south on Saturday in time to attend the halibut tariff conference in Seattle on August 10.

FORTUNATUS had only to don his enchanted cap and make a wish to obtain anything his heart desired. It is not given to ordinary mortals to have so simple and direct a mode of filling their wants.

But have you ever considered what a boon advertising has become? Everything you need or wish is displayed for your benefit in the advertising columns. Merchants and manufacturers use advertising to lay before you their most attractive wares. You have only to choose at your ease the things you care most about before actually going to see them in the stores.

Advertising is continually making the world better dressed, better fed and housed. It is increasing the world's capacity for things that elevate, improve and idealize the important business of living. It is a big, vital force in fostering convenient, comfortable and useful lives.
