How do you serve Vegetables?

It is really so easy to make the everyday vegetables more appetizing and nutritious without any extra trouble. Thousands of women have found that the same handy OXO CUBES that help them to utilize all sorts of left-overs are equally valuable when preparing vegetables.

Instead of serving these "plain boiled", they dissolve an OXO CUBE or two in a little water and add to vegetables which are cooked in their own juice. The addition of the fresh beef flavour and the extra food elements of the concentrated beef make all the difference in the world in the taste of the average vegetable.

Carrots, cauliflower, stewed potatoes and beets are often served with a cream sauce. To be good, this was made with butter and cream. But good cooks have found that they can make a better "cream dressing" with the plain juices of the vegetables, thickened with flour and flavoured with OXO CUBES. Oxo Cubes give a richness and tastiness that once you try them, you will always desire them.

Making vegetables more attractive, is only one of the many ways in which OXO CUBES are of daily service in the kitchen.

Learn the new ways of putting flavour and sound food value into all sorts of meat, fish, and vegetable dishes.

The school board was in receipt of a check last night from the organizer of technical education for the province amounting to 888.16. The check covers remuneration to the school board for work done by academic teachers of the High School in connection with the commercial classes.

The commissioned Warrant and Warrant officers mess of H.M.S. Capetown have sent a very interesting Christmas card to R. E. Benson of this city on which is a map of their recent tour and Prince Rupert stands out prominently on it. A picture of a group of the boys is enclosed and a note thanks him for his kindness to them when here and wishes him the compliments of the season.

The suggestion was made to the school board last night by Donald Ross, manual training instructor, that a fund be established in connection with the manual training classes similar to that of the domestic science whereby the pupils, by sale of their handiwork etc., may purchase additional equipment for their work. The question was laid over until the next meeting of the board.

St. Paul's Lutheran Church received permission from the school board last night to use rooms in the King Edward High School for the purpose of holding English classes twice a week during the winter. The classes were instituted by the church last winter and have become popular and largely attended. The work is carried on according to a graded system and members of the teaching staffs of the public schools where possible are assisting in giving instruction, their services being donated.

A Severe Illness Caused Constipation

Mrs. Wm. Hill, Wapella, Sask., writes:—"Three years ago I had a very severe illness, and ever since I have suffered with constipation.

A few months ago a friend advised me to use

Milburn's LAXA-LIVER PILLS

which I did, although not expecting any results, but I am pleased to say that since using them I have had perfect use of my bowels without any trouble or pain, and have never had bleeding piles since. Now, I never fail to recommend 'Laxa-Liver Pills' to all my friends."

At the Rotary luncheon yesterday Colonel Nicholls reported that the Boy's band was planning to play Christmas carols on the street some time during the Christmas season. Later a big concert would be given in the Westholme Theatre.

Charles B. Srigley, formerly manager of the Massett Timber Co.'s store at Buckley Bay and now conducting a store at Port Clements, reached the city on the Prince John this morning on his way to Portland, Oregon, where he will spend the holiday season with his family.

Principal Brady of the High School drew attention at last night's school board meeting to the necessity for better attention to homework. He suggested that the co-operation of the parents along these lines should be obtained. The board agreed with the suggestion and decided to take up individual cases if an improvement is not shown.

The school board last night passed expenditures for the month of November totalling $6,215.60, $793.96 being accounts and the balance salaries. One of the general accounts provided payment for 140 feet of rope, the purchase of which was made necessary as a result of a Hallowe'en trick when a flag bearing skull and cross-bones was erected over one of the schools.

R. Clarke, janitor of the Borden Street School, reported to the school board last night that the chimney in that school had dropped four feet as a result of the building having been jacked up. There is no danger from fire but some inconvenience is caused through smoke blowing into the classroom windows. The board will inspect the school before deciding upon what is to be done.

CARD OF THANKS.

Mrs. James Lawrence and family desire to express sincere thanks to their many friends for kind expressions of sympathy and floral tributes received in their recent sad bereavement.
