At the Elks regular meeting this week it was reported by thel committee in charge of the Christmas Cheer fund that good! results were being obtained and that a final effort was being made by the entertainment commilten consisting of Howard Brizzell, Kenny McQuaig and Dave Balfour to put on something different from any heretofore attempted in Prince Rupert and that all the proceeds without lany deductions whatsoever would? go to the fund.

The scheme which Frizzell, McQuaig, Balfour & Co. have up their sleeve is to stage a cabaret de Luxe. Those attending wilif purchase seats at tables and when all the seats are sold no! more will be admitted. According to Howard it is a case of speak promptly and pay up or! there will be no seat. Tables are arranged according to the size of the parties.
