SONS OF CANADA WON OVER GYRO

Indifferent Baseball Game Last Night Resulted in 8 to 4 Score

The Sons of Canada added another victory to their list last evening when they subdued the Gyros to the tune of 8 to 4 in the league baseball game. It was very listless baseball, and, while the Sons deserved the win, it was of little interest to the fans, and the players themselves became indifferent at times. Tullock started on the mound for the Gyros, and, when the Sons had crossed the plate for four runs, he was removed and Moran pitched for the balance of the inning. It need scarcely be said that the four runs could hardly be counted against Tullock for they were in part due to the very poor support which the Gyros gave their pitchers. In the fifth inning the Sons added another four and sat content with their win. In this inning two runs were scored after the batter had flied out just behind short stop. Another two were added due to errors and poor playing and Foley, who pitched for the Gyros from the opening of the second, was not responsible for the humiliating position in which his team was placed.

Schenkler started for the Sons and was relieved at the end of the sixth when A. Roy took his place.

A good football match is looked for tonight when the Great War Veterans and Canadian Fish & Cold Storage Co. clash tonight in the league fixture. Both teams are on their toes and anxious for a victory. Line-ups will be as follows:

Cold Storage — A. Murray; Charles Whatman and H. M. D. Lambe; J. Corbett, J. Sims and H. Carlson; S. Darton, S. Elder, E. Bye, Norrington and D. Jack; spares, J. Torney, F. Hardy and R. Matheison.

The new golf course at Jasper Park was officially opened on Friday afternoon last by Field Marshal Earl Haig. The ceremony was a simple one and the famous soldier drove a perfect shot far down the fairway from the first tee. Lady Haig also performed the ceremony on behalf of the ladies, her drive being one of the longest ever made on the course. The Field Marshal, proved himself to be an exceptioally good player, and won in a foursome that followed the opening, his partner being Stanley Thompson, architect of the course, and their opponents, Brigadier Generals Home and Blair.

Even the bears of Jasper Park seemed to sense that something out of ordinary was going on and turned out in large numbers, the party having the opportunity of seeing no less than ten of these residents of the mountain wilds while on the course. Col. F. F. Clarke, D.S.O., a member of the party accompanying Field Marshal Haig, drove off from the first tee just at the moment when a big brown bear had decided to amble across the fairway about one hundred and fifty yards ahead. The ball landed in front of bruin who immediately gave chase to it. In the woods another bear had his curiosity aroused by the antics of his fellow creature and he also gave chase to the ball. Both bears reached it at almost the same moment and immediately fought for its possession. They waged a battle royal while excited members of Earl Haig's party looked on. When the strife was over there was left only a few shreds of gutta percha to show where the ball had been.

PRINCE RUPERT GUN CLUB HAS GUESTS ON PARK AVENUE RANGE

There was a special shoot of the Prince Rupert Gun Club on the Park Avenue range last night for the benefit of two officers of the Vancouver Gun Club who were visiting the city with the Board of Trade excursion. The guests were Dr. Wright, vice-president of the Vancouver Gun Club, and Thomas Dixon, secretary. The latter made a straight break of 32, something he said he had never done before in his life, and had two scores of 25 and 23.

The scores of the evening were:

Thomas Dixon	25 & 23
E. C. Gibbons	22
J. W. Scott	22
J. F. Ritchie, Jr.	20
Dr. E. S. Tait	19

MANY SMITHERS PEOPLE CAMPING AT LAKE KATHLYN

SMITHERS, July 21. — The pleasure of camp life is appealing very strongly to Smithers folk this summer and a number have established camps on the beautiful shores of Lake Kathlyn. In addition to the permanent summer homes of George Raymond, Olaf Hanson and John Dybhavn, a number of tent homes have been fitted up.

The families moving down last week included Mr. and Mrs. Dimock and children, Mr. and Mrs. J. Mason Adams and children, Mr. and Mrs. H. G. Windt and children, Mr. and Mrs. J. Carr and children, and Mr. and Mrs. L. B. Warner and children, the latter moving into their new summer home which has just been completed.

Mrs. Birnie has also received several additional guests at her camp.

Ald. Perry Explains Last Week's Accident—$221 to Repair Damage

A letter from A. W. Edge quoting $221 as the amount which he would accept for replacing the plate glass windows broken in the recent explosion on Sixth Avenue was read at the city council meeting last night. The matter was then brought forward for consideration and Alderman Perry explained that the man in charge of the work was a good man and it was primarily due to the general lay of the land that the accident occurred. Rock work was often difficult as it was hard to ascertain where the weak places were and the amount required to remove the material. The matter was left to the board of works to be disposed of.

VANDERHOOF

The entertainment of the Vancouver Board of Trade visitors, who will be here on Friday of this week, will consist of a trip to Fort St. James and Stuart Lake. Lunch will be served at Douglas Lodge and there will be a picnic in the afternoon at Castle Rock.

At the annual meeting of the Vanderhoof School Board last week, E. A. Mitchell was re-elected trustee for three years and W. J. Rimes was re-elected auditor.

Work is now proceeding on the tourist auto camp at Vanderhoof which is being put in by the local Board of Trade.

Last Tuesday at Chilco, Miss Alice Vivian Jacobson of Jasper, who was teacher at Stuart River school last term, was married to Carl J. Benson, rancher of the Stuart Lake district. Rev. G. J. Gray performed the ceremony.

The marriage took place recently of Thomas Gordon Wren of Hulatt and Miss Margaret Larsen of Prairiedale. The couple have been honeymooning in Edmonton.

Mrs. Wesley Secord of St. Catherines, Ontario, has arrived here to spend a month visiting with her niece, Mrs. E. B. Smith.

Haying is now well ahead in this district and the most of the crops are good. In the Lakes and Ellisby districts, farmers started cutting almost two weeks ago.

Mr. and Mrs. Duncan Campbell, formerly of Vanderhoof, arrived last week by motor from Longview, Washington, and will probably spend the summer here.

The home of Mr. and Mrs. Thomas Hunt was recently destroyed by fire, the loss being about $2,500 which was covered by insurance.

BURNS LAKE

Robert Gerow, William Leverett, Ed. Peterson and John Gowans have left here to investigate the Babine gold strike and do some staking if it looks promising.

Mrs. J. H. Kerr has been elected to the local school board following the retirement of Mrs. M. F. Nourse.

Miss McLeod of Anyox is visiting here with Mrs. A. M. Ruddy.

Mr. and Mrs. Fred Saul of Decker Lake gave a reception at the Decker Lake Community Hall last week in honor of their daughter-in-law, Mrs. J. G. Saul of Victoria who, with her daughter, Lorraine, is spending the summer there.
