the season cannot be finished this year. The executive of the association is apparently not responsible for the delay this time for the annual meeting was called several weeks ago but not enough people turned up to make a quorum. It is likely the meeting will be called in a few days and, when it is, all those interested in the basketball game should respond.

With an average for two tournaments of 726, the Prince Rupert Billiard Parlor is well away to leadership in the second division billiard league. Four other teams in the league have each played one tournament so far. The next tournament will be next Tuesday night between the Grotto and Great War Veterans while the Canadian Fish & Cold Storage Co. and Prince Rupert Fish Co. will meet Thursday evening. The standing of teams to date is as follows:
