Tragedy of Sea when Tug Hope with 35 Men Aboard Sank in Rip and Seven Victorians are Lost

VICTORIA, Oct. 19.—Another tragedy of the sea took place here Saturday night when seven lives were lost and many escaped only after terrible sufferings as a result of the sinking of the tugboat Hope, carrying 28 longshoremen and six of a crew off Bentinck Island near Race Rocks in the Strait of Juan de Fuca.

MILL CLOSING FOR 2 MONTHS

Extensive Alterations and New Installations to be Made at Local Lumber Plant

The Prince Rupert Spruce Mill at Seal Cove is about to close down for a period of two months during which time extensive alterations and new installations will be made at the plant. While some of the present operating staff will leave the city, there will be a considerable number of men employed throughout the time of the work in hand. Soon after the first of the year, the mill will resume cutting operations to fill orders that are on hand especially for airplane and the better grades of spruce lumber.

TERRIFIC GALE MOVES SCHOOL

Corodova Again Suffers From Elements and Loses Baseball Grandstand

CORODOVA, Alaska, Oct. 19.—A terrific gale here Saturday night moved the school six feet, wrecked the baseball grandstand and blew down the scaffolding on the new high school building, falling trees tore down the electric and telegraph poles and wires.

CURRIE URGES PEACE EFFORT

VANCOUVER, Oct. 19.—"Most strenuous efforts coupled with most earnest prayers might well be exerted toward bringing about a kinder feeling between the peoples of the earth, for it is impossible to look too seriously on the present crisis before western nations," declared Sir Arthur Currie, in an address last night at the Canadian Memorial Church on the League of Nations.

ARRESTS MADE CLEANUP DRIVE

WINNIPEG, Oct. 19.—Winnipeg and St. Boniface police in "clean-up" drives at the week end arrested 200 persons charged with violation of the Temperance Act.

MARY ELLEN TO ADDRESS WOMEN

Meeting in Westholme Theatre Tomorrow to Give Opportunity to Hear Speaker

Owing to the uncertainty of the meeting being held last Wednesday evening and the lateness of arrival of Mrs. Mary Ellen Smith, many women were unable to hear her speak. For that reason the committee has arranged for a meeting tomorrow afternoon at three o'clock in the Westholme Theatre which will be for women only.

Mrs. Smith will be in the city for a few hours only tomorrow. She has been addressing meetings at Ansox, Alice Arm, Premier and Stewart and will arrive back on the Cardena tomorrow morning and will leave for the south on the Cardena at 5. Taking advantage of her stay here, the committee has arranged that women of Prince Rupert shall have the opportunity of meeting this outstanding British Columbia woman and may hear her speak.

NOTICE.

Pursuant to the Municipal Elections Act all persons desiring to be entered on the Voters' List for the forthcoming Municipal Elections as Householdors or Holders of Trade Licenses must register their names with the City Clerk during the month of October on a statutory form to be supplied by the City Clerk.

The City Clerk's office will be open from 9 a.m. to 5 p.m. each and every day during the month of October with the exception of Saturday, when it will be open from 9 a.m. to 12.30 p.m.

E. F. JONES,
City Clerk.

Who Is George Bushby?

GEORGE G. BUSHBY, CONSERVATIVE CANDIDATE FOR SKEENA.

Mr. Bushby is the son of the late Hon. A. T. Bushby, Registrar General of the Colony of British Columbia before Confederation, being the grandson of the late Sir James Douglas, first Governor of British Columbia. He was born in New Westminster in 1867, sent to England to school soon after the death of his father in 1874, and returned to Canada in 1883, when he went to Berkeley, entering the University of California.

On leaving the University, he apprenticed as a machinist to the Union Iron Works in San Francisco, for four years, returning to Canada in 1889, and taking charge of a saw mill close to the City of Nelson, B.C., which was then in the making. Mr. Bushby went from there to take charge of the submarine work in Victoria harbor, and the construction of the Waterworks System of the new Quarantine Station at Williams Head for the Dominion Government.

Founded Marine Railway

In 1895 Mr. Bushby, with his brother-in-law, Mr. Fitzherbert Bullen, founded the Esquimalt Marine Railway, which built the S.S. PRINCESS BEATRICE, S.S. PRINCESS ROYAL, S.S. PRINCESS MAQUINNA, S.S. LILLOOET, S.S. NANOOSE, S.S. MADGE, all crack ships in their day, and innumerable small craft; besides being builders of ships, they handled large repair jobs, in fact some of the largest that have ever been done on this coast. This business was sold to Yarrows in 1914. A branch of this business was founded in Vancouver in 1899, known as The B.C. Marine Railways.

In 1897 the Bushby-Bullen interest founded the B.C. Salvage Co., Mr. Bushby personally taking charge of the salvage operations for the first fifteen years, and it was this Company which raised the S.S. PRINCE RUPERT at the time this vessel sank and rolled over on her side at Swanson Bay. In 1900 Mr. Bushby took the personal supervision of the B.C. Marine Railways in Vancouver, and carried on in this capacity until he sold out his interests in 1919, retiring from business and going to Victoria to live.

His restless spirit, and inexhaustible energy, would not allow him to retire, and he is now one of Prince Rupert's business men, being engaged in the manufacture of Fish Meal, Fish Oil, and Fertilizer, operating as the Rupert Marine Products Ltd., Tucks Inlet, and also operates four tug boats out of the Port of Prince Rupert.

For Betterment of Business

During Mr. Bushby's career, he was in practically every movement for the betterment of business and social conditions in British Columbia. He was President of the B.C. Manufacturers' Association, the B.C. Metal Trades Association, and an active member of the Vancouver Board of Trade. He was also one of the principal members of the Iron and Steel Delegation to Ottawa in 1918. He took an active part and contributed greatly to the success of the three Victory Loans in Vancouver.

As the Skeena Riding is primarily dependent on the development of this Port of Prince Rupert, Mr. Bushby, with his knowledge of marine affairs, is undoubtedly the best man the electors could possibly return at the election, not only to look after the needs of the fishermen and mariners, but the development of this whole district.

STORK HAS FOUGHT BATTLES OF FISHERMEN SAYS UNION SECRETARY.

October 19, 1925. Editor Daily News.

I was surprised to see in your issue of the 17th instant, that G. W. Nickerson informed the public that our present member, Fred Stork had absolutely failed to stand behind the halibut fishermen in their fight for a square deal.

As representative of the Deep Sea Fishermen's Union, whose members are all halibut fishermen, I wish to contradict Mr. Nickerson's statement as Mr. Stork has done all in his power to better the halibut situation and any request that has been asked him, directly from the Union, has received consideration and thru his influence has always been granted.

We all appreciate the fight that Mr. Stork put up to have an Order-in-Council passed in May, 1924, in regard to the cull situation and the scales inspection; and the nautical school which is now established for halibut fishermen would never have been granted but for our honorable member.

Had we depended on Mr. Nickerson, as President of the Board of Trade, when we requested that body to take it up with the Marine and Fisheries department, we are quite sure there never would have been a free nautical school established in Prince Rupert for union halibut fishermen, as he has opposed us in nearly all our requests to better our conditions.

Signed: J. H. MEAGHER, Agent Deep Sea Fishermen's Union.

BRINGING GOLD FROM CASSIAR

Last Boat of Season at Wrangell Yesterday Arrives Down Stikine River

WRANGELL, Alaska, Oct. 19.—The last boat of the season down the Stikine River from the Cassiar gold region of Northern British Columbia arrived Sunday with a capacity passenger list, including miners engineers and prospectors many of them en route to Vancouver and Seattle for the winter.

Coarse gold and nuggets from the new goldfields valued at \$7,600 was exhibited by several placer miners; William Grady, discoverer of the new gold district, brought out 242 ounces of the precious metal after spending 53 days on his claim, devoting most of the time to preparing the property for operations next year. Grady left for Vancouver.

Many of the returning men said they would go back to their claims early next spring. They propose travelling overland into the Cassiar district before navigation on the Stikine opens.

MINISTER GETS LUMBER ORDER

B.C. Fir Being Loaded For Island of Mauritius at Southern B.C. Ports

VICTORIA, Oct. 19.—Through the efforts of the Minister of Lands another new market has been found for British Columbia lumber. This is the state railway construction and maintenance service on the island of Mauritius. Hitherto only European woods have been used but when Hon. Mr. Pattullo learned that the government railways were in the market for a cargo of timber he called the general manager stating the qualities of Douglas fir and the excellent results obtained from its use on the British, Indian and Egyptian lines. The outcome is that the first shipment of Douglas fir ever made to Mauritius is now being loaded at B.C. ports.

MANSON AND STORK SPEAK

Address Large and Responsive Audiences at Smithers: Majorities Expected in Interior

SMITHERS, Oct. 19.—One of the largest political meetings yet held took place here Saturday evening when Hon. A. M. Manson and Fred Stork delivered rattling good addresses to a responsive audience. James Groat was chairman.

The opinion is generally expressed that the Liberal candidate will get large majorities here and at other nearby interior points.

Tonight the same speakers will be heard at Burns Lake.

TRAIN DERAILED AND ROLLED DOWN THE EMBANKMENT

WINNIPEG, Oct. 19.—Eight passengers and one trainman were injured, none seriously, this morning when the C.N.R. westbound train was derailed half a mile east of Ituna, Saskatchewan. The express car first and second class coaches went down the embankment.

WRITER ROBBED OF HER JEWELS

Highwayman Made Get-away While Auto Was Being Repaired at Roadside

WEST PALM BEACH, Oct. 19.—Mrs. Nina Wilcox Putnam, the well-known writer, and A. W. Goger, her companion, were robbed of \$65,000 in jewels, papers and cash early Sunday while repairing a disabled auto on the roadside. Search is being made for five highwaymen were were implicated.

NURSE KILLED RAIL CROSSING

WINNIPEG, Oct. 19.—Three persons were killed and five injured in a series of week end accidents. Miss Maud Drummond, a nurse, was killed when the auto in which she was riding stalled on the track in front of an approaching express train at Rosser.
