ALLENBY MINE IS PRODUCING

Output of 400 to 500 Tons Daily so Far at Interior Granby Property

NEW YORK, Sept. 26.— Production at the Allenby property began several weeks ago with a present output of around 400 to 500 tons daily, compared with an operating capacity of about 2,000 tons daily. Present operations are at the annual rate of about 4,000,000 pounds. The mill is reported to be operating efficiently and getting favorable recoveries. Allenby operations will be gradually speeded up until production is on the basis planned for, or around 20,000,000 pounds annually.

Meanwhile Hidden Creek properties at Anyox are operating at the annual rate of around 40,000,000 pounds of copper, with costs just over 9c a pound, before depreciation and depletion. Inasmuch as the second quarterly statement of Granby, which incidentally was the best so far issued, included a deduction of around $115,000 as the discount on the bond issue refunding operation, the third and fourth quarterly statements, which will reflect larger production and better metal markets should be even more satisfactory to stockholders.

If the Granby management's present plans work out favorably, Granby's earnings will show a marked increase. This is being anticipated by a firmer market for the stock.

"STOMACH PAINS WERE DREADFUL"

Operation Prevented by Fruit Treatment "Fruit-a-tives"

Mrs. ANNIE GLOVER

"For years I was a sufferer from Chronic Dyspepsia, Indigestion and Constipation; the stomach pains were dreadful. I was advised that my condition strongly resembled cancer of the stomach. Dreading an operation, I consulted my physician, but grew steadily worse. Then I decided to try "Fruit-a-tives". Immediately my condition began to improve and soon Dyspepsia and Constipation were things of the past"—Mrs. Annie Glover, 16 Henry Street, Ottawa.

There is no other medicine like "Fruit-a-tives". The effect of this fruit treatment in all cases of Constipation is wonderful. 25 and 50 cents everywhere.

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

A notable production that appeals not only to the imagination but to the reason. A rare combination of romance and adventure, pathos and comedy. Not a war picture but a human story dealing with its after-effects. A photo-play that immortalizes the part our men played in the war and the part our women played in the peace. A picture containing characters that are real, people you know, with many indescribably beautiful scenes. An appealing story of love, laughs and thrills. Brilliant cast.
