I wish I knew

"I wish I knew what to put on these floors!" So often you hear that remark. It is only because those people who make it, have had their fill of waxes, oils and cheap varnishes. The man or woman who has used the right floor varnish has no floor troubles.

FLYING BOAT ARRIVES HERE

Squadron Leader Tudhope Now at Digby and Will Remain Rest of Season

HULL FOR CHARLOTTES

Slip to be put in at Casey Cove for Taking Machines Out of Water

Flying boat GN, piloted by Squadron Leader J. H. Tudhope and with Leading Aircraftsman E. C. Tennant as mechanic, arrived at the Digby Island base last evening at 5.30 from Jericho Beach station, Vancouver, to join the fisheries patrol detachment here for the remainder of the season.

Squadron Leader Tudhope left Vancouver at 5.20 Saturday morning for the north and bucked a heavy wind all the way to Bella Bella. The machine was forced to come down at Port Hardy and five hours was spent there making engine repairs. Bella Bella was reached at 8.55 that evening.

On account of fog, it was impossible to take off from Bella Bella until 10 o'clock Sunday morning and the flight to Swanson Bay was made in one hour and ten minutes, that place being reached at 11.10. Sunday afternoon the machine did patrol work and picked up Fisheries Overseer D. S. Cameron at Goat Harbor. The night was spent at Swanson Bay.

Leaving Swanson Bay at 10.45 yesterday morning, canneries at Butedale and Lowe Inlet were visited and boats were looked up and, coming around by Principe Channel and making a number of stops, Digby Island was reached at 5.30 last evening.

With the arrival of GN, one of the machines already here will be sent this week to the Queen Charlotte Islands for the remainder of the season. Flying Officer A. H. Hull will take the ship across Hecate Straits and remain in charge of it. Squadron Leader Tudhope expects to remain here for a little while himself.

Squadron Leader Tudhope announces that a slip is now to be put in on the beach at Casey Cove so the machines may be taken out of the water to make hull and other repairs when necessary. It is the ultimate intention to put in a floating base here for use the year around. It will be of such a nature that it may be removed wherever necessary and may itself be taken out of the water.

NEARLY HALF INCH RAIN IN AN HOUR

Numerous Basements Flooded at Edmonton When Storm Sewers Unable to Carry off Water

Edmonton was visited by another electric storm on Friday night, accompanied by a downpour of rain that resembled a cloudburst, and the gutters were soon running with water says Saturday's Edmonton Journal. Starting about 8 p.m. the storm was ushered in by roars of thunder and the streets were soon deserted. The precipitation according to the meteorological office, was .44 inches in a little over an hour.

The storm sewers were unable to take care of the excess flow and numerous basements were flooded, while the water was so deep in the C.P.R. subway on Jasper west that automobiles and street cars were only able to make their way through by exercising the greatest care. Two street cars caught fire in the new 101 street subway as the result of short circuits, and several automobile accidents occurred through poor visibility.

STRIKE DIRECTORS ARE COMPLIMENTED

Acting Mayor Casey Makes Report to City Council on Recent Differences at Elevator

Ald. Casey, who was acting mayor during the absence of Mayor Newton, made a report to the city council last night on the recent strike at the elevator. He said that he wished to state that the men who had directed the strike had shown a spirit of fairness and had assumed a most conciliatory attitude. He complimented them on the way they had counselled the strikers and brought about a resumption of work without undue delay.

SONS OF ENGLAND HEAD COMING HERE

Supreme President Davenport of Montreal Will Visit Prince Rupert in November

As a result of his attendance at the Supreme convention of the Sons of England in Calgary last week, Mayor Newton announces that he was able to induce the Supreme President, Mr. Davenport of Montreal, to come to Prince Rupert to pay an official visit to the local lodge in November. It is possible that the Supreme Vice President, Mr. Taylor of Winnipeg, may also visit here at the same time. Mayor Newton was elected a member of the general council at the Calgary convention.

Having a cargo of lumber to load here, C.N.R. steamer Prince Charles, Capt. Neil McLean, will return here from the north at 10 o'clock tomorrow morning instead of 4 in the afternoon. The vessel is eliminating her call at Anyox on the way back from Stewart this trip.

GYRO CLUB WON BASEBALL GAME

Defeated Sons of Canada Last Evening by Score of 10 to 3

With the score standing three all when they went to bat in the last half of the fifth inning of last night's baseball game, the Gyro Club touched Alex Roy, who went into the box replacing Schlenker, for seven runs and won out by ten to three. With the exception of this period, the game was close and well played. Tullock pitched a good game for the Gyro Club as did Schlenker for the Sons. There were four errors chalked up against the Sons of Canada while the Gyro Club is given credit with having made none.

This was the second game of the post-season series. The first was won by the Sons of Canada. The next will be on Thursday evening.

The box score was as follows:

Tonight's football game between the Callies and Cold Storage is expected to be a crucial one in the Gilhuly Cup series. If the Scots get under way with another victory, they will be off to a good start and will have long odds for success in the final outcome. On the other hand, supporters of the Cold Storage are expecting a good deal from their proteges and the opinion seems to prevail that they have a real good chance of winning. A good deal of interest is thus attaching itself to this match and a good crowd of fans is expected to attend.

The Callies will field the following team: McLean, goal; Harris and M. Andrews, full backs; G. Mitchell, Currie and Woods, half backs; A. Mitchell, McDougall, D. Scott, W. Mitchell and W. Hamilton, forwards.

The Cold Storage will line-up the following team: goal, A. Murray; backs, S. Erskine and H. M. D. Lambe; half backs, J. Sim, A. Macdonald and H. Carlson; forwards, S. Elder, A. Harvey, C. Wiper, D. Jack and C. Norrington; reserves, J. Corbett and G. Whatman.

The Canadian National employees tennis courts are being used regularly now. Almost every afternoon and evening both are in full swing. They seem to be a decided success. The only criticism is that the earth around the courts is a little rough as yet but this will doubtless be rectified.

The Telkwa Barbecue to be held on Labor Day is now completely organized and plans are well advanced for a program outclassing any of the past.

Officers and committees as follows will have charge:

Secretaries—T. M. Ovens, H. H. Phillips, E. Hoops.

Treasurer—T. J. Thorp.

Sports and Finance Committee—J. P. Wheeler, Corp. Hall, G. L. Murray, J. J. McNeil, Frank Dockrill.

Refreshment Committee — E. Hoops, P. Slavin.

Track and Grounds Committee—J. P. Wheeler, G. L. Murray, N. Svenson, F. W. A. Mapleton, B. M. Hoops.

Advertising committee—J. P. Wheeler, H. H. Phillips, F. B. Chettleburgh.

Barbecue—H. A. Beek.

THOUSAND BASEBALL TEAMS PLAY IN CUBA

HAVANA, Aug. 17.—More than 1,000 amateur and professional teams easily put baseball in first place as the most popular sport in Cuba. The American national game, however, is not the only one that engages the attention of the youth of Cuba.

All the larger social clubs have athletic teams including besides baseball, swimming, rowing, football, track, fencing and jai alai or Spanish handball.
