## School Autumn Term Opening August 31

We wish to announce the opening of the Autumn term in the Sprott-Shaw Schools of Commerce and Telegraphy in Vancouver on August 31 instead of on September 8 as previously announced.

There has been such a heavy demand for Sprott-Shaw students that we believe this action is necessary to assist the employing public. Up to date not only have all our graduates been placed but also all our students who, although they did not take their diplomas, approached anything like as near a proper stage of proficiency.

While, of course, it is wise to join early, nevertheless our courses are so arranged as to allow pupils to enter at any time.

**Sprott-Shaw Students Always Succeed**
