BOOTH SCHOOL WINS TROPHY

Rochester Shield Captured as Result of 1 to Nil Victory Over High School Saturday Afternoon

The fastest game of the entire Junior Football League season was the final which was played on Saturday afternoon between Booth School and the High School and which was won by the Booth School which thus captured possession of the Rochester Shield emblematic of Junior League championship. So lively was the pace set that several players were wounded and knocked out during the progress of the match. The Booth School was value for its victory. The championship being at stake, a good deal of enthusiasm was manifested.

The High School won the toss and elected to play up hill. The Booth School pressed hard during the first of the game but the High School defence was on to its job. The Booth forwards were unable to break through and made one or two wild shots. The High School also made two or three breakaways but nothing in the way of scoring developed and the teams crossed over with no score having been made.

In the second half, the High School, playing downhill, kept up a stiff pace for about fifteen minutes and the Booth goal was in danger on several occasions. Grate in goal, with some nice saves, Donald and Kami, full backs, and Kelsey, centre half, however, managed to keep the ball out. When the High School commenced to weaken, the Booth School made some nice combinations and, about ten minutes before the final whistle, Jack Nelson broke away and, passing right through the High School defence, scored from close in.

On the whole, Booth School played the best combination although the weight and height of the High School players were factors to their advantage. Jack Campbell refereed and the linesmen were Eddie Smith and Bronson Hunt.

SPORT CHAT

The International section of the English Football Association has accepted an invitation to send a soccer team to tour Canada next summer. The team will leave England in May and return about the middle of July providing satisfactory arrangements can be made.

Benny Ford, manager of California Joe Lynch, who lost a decision in a hot bout at Vancouver recently to Vic Foley, is making a protest about that battle. He claims that Lynch knocked Foley out in the third round and that the referee helped him up.

Vic Foley is figuring on going from Vancouver to California to spend the winter as there is said to be good chances of his getting a number of profitable bouts in the south. In the meantime, Vancouver fans are expecting to see Foley in action with Bobby Eber, Frankie Genaro or Abie Goldstein before long.

Teams will meet tonight in the Cribbage League competition as follows: Elks vs. Loyal Orange Lodge; Great War Veterans vs. Sons of Canada; Dry Dock vs. Prince Rupert Hotel; C.N.R. Mechanical Department vs. C.N.R. Operating Department; St. Andrews vs. Knights of Columbus; Moose vs. Cold Storage. The
