BRINGING UP FATHER

I wish I knew

"I wish I knew what to put on these floors!" So often you hear that remark. It is only because those people who make it, have had their fill of waxes, oils and cheap varnishes. The man or woman who has used the right floor varnish has no floor troubles.

WANTS AN ESTIMATE LOCAL POPULATION

City Assessor Delegated to Make Rough Count of Number of People Here

Following a practice that is common in the East, the city council decided last night to add to the duties of the assessor next year the bringing in of an estimate of the city's population. J. C. McLennan was re-engaged assessor for 1926 at the same stipend as he received this year.

The suggestion that the assessor be asked to make an estimate of population was made by Mayor Newton who said it would be an advantage to have an accurate idea of the number of people actually living here. Mr. McLennan, he felt, would be willing to undertake this work without extra remuneration.

Ald. McMordie was not sure that such an estimate would be altogether satisfactory unless there was a house-to-house canvass. He was agreeable, however, to it being made. Ald. Stephens and Ald. Perry were also agreeable to the suggestion and the report from the finance committee recommending Mr. McLennan's appointment together with the mayor's suggestion, was adopted.

CITY COUNCIL MAKES GRANT TO BOYS' BAND

Sum of $150 Voted Towards Starting of New Organization in Prince Rupert

A recommendation from the finance committee that a grant of $150 be made in connection with the starting of a boys' band in Prince Rupert was adopted by the city council last night together with an amendment by Ald. McMordie that instruments purchased with this money bear the name of the city as instruments donated by various societies bore the name of those societies. The proviso was also made that, in case of the band breaking up, the instruments would be returned to the city.

WATER SURGE BLEW OUT JOINT IN MAIN

Repairs Effected Last Evening at the Corner of Third Avenue and Fourth Street

A water surge caused by the operation of the hydro-electric plant at Shawatlans Lake was responsible for the blowing out of a joint in the eight-inch lateral main at the corner of Third Avenue and Fourth Street yesterday afternoon. At 5 o'clock the water in this main was turned off while repairs were being made, this necessitating the cessation of operations at the elevator for a couple of hours. The break was discovered through the water flowing under Fourth Street and coming out below the Second Avenue embankment.

The city council has declined to meet the request of the Prince George Agricultural & Industrial Association that a guarantee be made by the municipality for the Association's bank indebtedness which amounts to about $3,500.

Word has been received here that J. B. Daniell, former editor of the Prince George Citizen, has been seriously ill in Venice, California, but that he is now recovering.

The engagement is announced in Vancouver of Miss Constance Gifford of New Westminster to Herbert McColl Allan of the Bank of Commerce staff here.

The Prince George Hospital Association is seeking financial aid for the building of a nurses' home which it is estimated will cost about $4,500.

Sport Chat

Final arrangements have been made for a football team from Ocean Falls and a baseball team from Anyox to come here during Fair Week but it is the desire of the Exhibition Board to have a second baseball team and it is not known yet whether it will come from Ketchikan or Stewart. The making of suitable transportation arrangements seems to be a difficulty as far as Ketchikan is concerned. On the other hand, Stewart is very anxious to send a baseball aggregation here for Fair Week and, if suitable arrangements cannot be made to have Ketchikan visit here, the team from Stewart will be brought to town for the occasion.

While the Football Association has all the trophies it can arrange competition for, the Baseball Association, since the Sons of Canada finally captured the Nickerson Shield in 1924, has not a single prize to offer. This probably accounts in a degree for the regular baseball schedule this year having been called off at a time when things were anything if not interesting. There is good baseball talent in town this season and probably will be next. It is to be hoped that in 1926 the local baseballers will have something more tangible to play for in the competition for city championship.

The Gilhuly Cup football game to have been played last evening between the Callies and Sons of England was called off on account of rain and will be played next Tuesday night. The game on Thursday night of this week between the Callies and Cold Storage will take place as scheduled. If the Callies should lose Thursday night's match they will be on even footing with the Sons of England and there would, as a result, be especial interest in the final match. G. Krause will referee Thursday's game.
