"I wish I knew what to put on these floors!" So often you hear that remark. It is only because those people who make it, have had their fill of waxes, oils and cheap varnishes. The man or woman who has used the right floor varnish has no floor troubles.

DARKNESS PREVENTED FINISH OF BALL GAME

Sons of Canada and Gyros Met Last Night—Latter Lost Through Not Being Given Their Bats

With the Gyros still having their bats to come, the baseball match last night with the Sons of Canada was called on account of darkness after the first of the fifth inning with the score standing 7 to 5 in favor of the Sons. The Gyros had led pretty well all the way until the fifth when Dan Lidstone's arm gave out and he was replaced by Tulloch off whom the Sons got five runs in the semi-darkness in which it was practically impossible to field. Chet Shenkler pitched for the Sons. George R. Tite was referee.

The score by innings was as follows:

	1	2	3	4	5	
Sons of Canada..	2	0	0	0	5	—7
Gyro Club	1	3	0	1	x	—5

Sport Chat

There will be an international flavor to the speed boat races to be held in Detroit September 5-7 in connection with the annual Detroit regatta. T. A. Clarge, French challenger, will have an entry for the British International (Harmsworth) trophy The forthcoming race will be the thirteenth contest for the treasured symbol of motor supremacy which was originally offered by the late Lord Northcliffe then known as Sir Arthur Harmsworth. It will be the second race in American waters for the trophy which has been held five times in British waters, once in French waters, once off Queensland, Ireland, and the other times in America. The present world's record for the race is held by Garfield Wood of New York who brought the trophy to America in 1920. The time was 80.567 miles per hour.

The British are about to adopt the American custom of charging admission to watch golf championships. They do not like to have to do it, for it means the passing of another of their traditions. Everyone interested in the game realize, however, that something must be done to restrict the size of the swarming crowds on the championship courses, crowds which in recent years have increased from a few hundred to upwards of 30,000, of whom a great many in their eagerness to see everything possible forget all about etiquette.

RECOGNITION GIVEN TO MRS. HENNING, SR.

Round of Entertainments During Week at Which She Was Guest of Honor

A tea was given yesterday afternoon at the home of Mr. and Mrs. R. Moore, Fifth Avenue East, by Mrs. Morrissey as a farewell to Mrs. Henning, Sr., who is leaving the city on Monday with rer son to reside in Chicago. This was one of a series of gatherings held during the week for Mrs. Henning, whose departure is much regretted by a very large circle of friends.

Mrs. Henning has resided in the city a long time and has done a lot of quiet public service. During the war she worked hard on the Red Cross committees and later was an active member of the Hospital Auxiliary, especially during the time the nurses' home was being erected. Outside of these organized activities it is pointed out by her friends that she has been ever ready to aid any worthy cause or to help anyone who was sick or in need.

NEW GRAIN SEASON OPENS MUCH BETTER THAN DID LAST YEAR

WINNIPEG, Aug. 29.—With an even half million bushels of grain loaded on Canadian National lines during the week of August 21 to 27 inclusive, the grain movement for 1925 is now beginning to get under way, according to the Canadian National railways officials here.

During the week 665,000 bushels were marketed on Canadian National against 427,000 bushels in the same period of 1924. Loadings were 391 cars against 254 last yead.

That country elevators are in better shape for the reception of this years crop than last year is indicated by the fact that total grain in store on the Canadian National lines on August 27 was 610,000 bushels against 947,000 bushels last year. Since August 1, when the grain season opened, 832 cars, containing 1,116,000 bushels have been loaded as against 707 cars with 99,000 bushels last year. Inspections during the week were 311 cars against 203 in the corresponding week of 1924. Deliveries of grain by the Canadian National from August 1 to August 26 have been 208 cars.

Miss Catherine Newell of Everett, Wash., is the guest of Mrs. G. W. Nickerson, Fifth Avenue.
