FOOTBALL GAME ENDED IN DRAW

Match Last Night Between H.M.S. Capetown and Prince Rupert was Good Exhibition

A very large crowd watched the football game last evening between men from the H. M. S. Capetown and a team of local players which ended with a tie score of 2 all. From the very opening of the game it was evident that the fans would witness a very fine brand of football and that there would be very little to choose between the respective merits of the teams. The visitors probably were a little better in combination play and on more than one occasion they threatened the locals' goal by a fine series of rushes. The locals on the other hand were always ready to take advantage of any opening which offered and at certain periods of the game pressed their opponents defence consistently. It was a fine brand of clean football which delighted the fans and they showed their appreciation on more than one occasion as either locals or opponents were responsible for brilliant plays. Lee in goal for the visitors was called upon in the second half to make several brilliant stops which he did in such a manner as to bring applause from the grandstand and the goal which did get by him in the first he could not in any way have stopped.

The first half, the locals played down hill and the visitors scored first. This was followed shortly before half time by an equalizer from the locals. In the second period, with positions reversed, the visitors were accorded a penalty in front of the goal which was readily converted. From then on the locals pressed hard and kept continual pressure on their opponents goal until rewarded by a goal, tieing up the score again. The remainder of the game was a see saw with both sides having some splendic rushes to their credit.

Referee from Ship

Mr. Pierce of the Capetown acted very efficiently as referee, and his work readily met with the approval of the fans. In the first part of the game there seemed plenty of whistle but when it was apparent that nothing escaped the eye of the referee, the teams settled down to a fine exhibition which has seldom, if ever been bettered in Prince Rupert.

The teams lined up as follows:

Capetown—Lee; Nicholls, Burrows; T. Burrows, Wild, (Capt.) Bramwell; Dickson, Starkey, Wiper, Bowser, Woods.

Prince Rupert—A. Murray; W. E. Williscroft and H. M. D. Lambe; J. Harris, S. Currie and R. Woods; A. Mitchell, R. McDougall, D. Scott, J. Johnson and C. Norrington.

Messrs A. Clapperton and P. O. Marsden acted as linesmen.

CAPETOWN FOOTBALL TEAM ENTERTAINED

Soccer Association Gave Impromptu Social Evening in St. Andrew's Rooms Following Game.

Following the football game last night, the Prince Rupert Football Association gave an impromptu social evening at the St. Andrew's rooms in honor of the team from H.M.S. Capetown. Refreshments were served and there was a program of songs and speeches. George Hill, president of the Association, occupied the chair.

With a new battery to face the Sons of Canada, the Gyro Club expects to come into its own in the Senior League baseball league. The injection of Fortin, as hurler for the Gyros, and Robideau, as backstop, into the league may bring about interesting developments. The Gyro Club is still rather far down in the cellar but it still has a chance and the management says that the Sawmill and Sons of Canada from this on will have to look to their laurels. There has been good baseball in Prince Rupert so far this season and now it promises to be even better. Many fans are expected to climb Acropolis Hill for tonight's fixture even though Fortin may not be on the mound for the Gyro.

Fear that America may lose the Davis Cup in September through its notorious weakness at doubles play, has prompted the United States lawn tennis association to schedule an official tryout for the international team August 3 to 5, for the first time in its history. American tennis it seems regards the impending issue with more than concern. It really fears the worst. This much has been admitted by Edward B. Moss, executive secretary of the tennis association in declaring that it would surprise no one, least of all, the Davis Cup committee if victory in the 1925 international series would go with the decision in the doubles.

Jack Dempsey will not be allowed to fight any pushovers in the state of New Jersey, it has been agreed by Newton A. K. Bugbee, commissioner of boxing in that state. Only logical contenders will be tolerated as an opponent for the champion, Bugbee declared and added that in his opinion, only Harry Wills and Gene Tunney could be considered in this light. "It seems strange to me that a real champion should insist on having one or two bouts for 'tune-up' purposes before meeting a logical contender for his title," Bugbee said. "Inasmuch as the public is sick and tired of seeing champions fight set ups. Dempsey will not be allowed to fight in New Jersey."

The visit of the Capetown is affording a little opportunity for local football players to meet outside players. The matches should draw good crowds. Local billiard players will also have an opportunity of meeting some of the players from the cruiser on Sunday afternoon, and doubtless, several good games will be played.

Prince George, Ketchikan, Stewart, Ocean Falls and New Metlakatla have been communicated with in respect to sending baseball and football teams to Prince Rupert at fair time or any other time which might be convenient. It is expected that it will be possible to have both baseball and football teams visit the city from some of the outside points during the fair week and it is quite possible that some teams will be able to be here before Fair time. New Metlakatla expects to be able to play Rupert a series of return baseball games sometime after the middle of August, and word is expected from them in the course of the next few days.

THRILLING TRIP MADE BY NUN

Sister Carrier Makes Perilous Journey from Lac la Plonge to Regina

REGINA, Sask., July 31.—By canoe and train for six days—through swift torrents, punted along by brawny Indian guides, shooting rapids and skirting cataracts, Sister Carrier of the Grey Nuns' Order recently travelled 500 miles to Regina, primarily to see a dentist.

Sister Carrier comes from that inland mission in the cold hinterland of Northern Saskatchewan, Notre Dame of the Sacred Heart, Beauval mission, five miles west of Lac la Plonge. This is her first peek at civilization in five years.

"I like my mission so much, I would not like to be transferred to another one, unless I am commissioned to go further north, to work among the Eskimos," Sister Carrier declared. She gave a colorful picture of life in this outpost.

Beauval Mission and that of Ile a la Crosse, are generally recognized as the two most difficult missions in the North. In the spring and fall, the Mission often is cut off from all except telegraph communication. No mail comes and none is sent out. If the Mission cook runs out of tea or other supplies, members of the community do without. In the summer time only the minimum of travel is attempted on the river, owing to its treacherous rapids. The winter season with its blizzards, and sub-zero temperatures, is the open season for travel and the hauling of supplies.

Haulage High

The expense and labor of haulage, Sister Carrier, explained, is tremendous, when it is considered that the Mission feeds and clothes an average of 100 persons. Considerable food also is raised in the district. The wheat fields are large and thriving, while all kinds of vegetables are grown.

The mission workers have themselves installed an electric plant and steam heating system. They also built their own telegraph line and completed the connections.

The only neighbors are scattered bands of Indians. "They are friendly, and 'fire water' is unknown to them," said Sister Carrier. The country which is heavily timbered, is dotted with lakes and threaded with rivers. The fur catch, she said, in winter was usually very good, while the fish catch and wild fruit crop materially added to the food supply.

Sister Carrier will return to her post after a short holiday with relatives here.
