When The Babies Are Cutting Teeth THE MOTHER SHOULD USE

During baby's teething time, the powers become loose and diarrhoea, dysentery, colie, cramps, etc., manifest themselves; the gums become swollen, and cankers form in the mouth. This is the time when the mother should use "Dr. Fowler's," and, perhaps, save the baby's life.

Look out! Two winners are coming! The flavor makes boys and girls pals with Kellogg's Corn Flakes.

Put sweet, crisp, goldentoasted Kellogg's Corn Flakes in a bowl with rich milk or cream. Delicious with fresh or preserved fruit. Easy for mother too. No sticky dishes to wash. You'll like it. Get Kellogg's Corn Flakes from your grocer. Ask for Kellogg's at restaurant or hotel.

Oven-fresh ALWAYS Kellagg's patented inner-sealed tousty-crisp. This is un exch sive Kellogg feature!

Why Kellogg's is always on top! It's the flavor-marvelous, indescribable - that makes Kellogg's Corn Flakes the leading seller among readyto-eat cereals.
