Anyox Beat Alice Arm in Games But Lost in Total Points

ALICE ARM, Sep. 10.—Bringing with them an ideal of sunshine and all around good weather a team of eight players of the Anyox Tennis Club came over and battled the Alice Arm players on the local courts on Labor Day. This is one of the inter-league tournament plays between the clubs of Stewart, Anyox and Alice Arm. Unfortunately Stewart could not fill its schedule, and the tournament was played off between Anyox and Alice Arm. The games were to be ten game sets, but the last half of the playing was cut to six game sets, in order that the complete program might be played off. While the Anyox players carried back to the smoky town, the victory in games, having won eleven out of the sixteen sets played, yet the games of the tournment by points won gives the Alice Arm players a more favorable showing, the local team 99 as against 116 by the Anyox Club, giving them a majority of 17.

The effectiveness of the playing of the two teams on the whole was fairly evenly matched, a large number of the games going to deuce. But faults were very common. A great many double faults were called in the services of both teams. Altogether the Anyox players gave more attention to the placement of their return shots, which counted in the aggregate of the number of sets won. Scores were as follows, Anyox players being mentioned first in each case:

Mens Singles

Grey 7, Groves 10; T. W. Falconer 10, Staynes 9; Warner 4, Townshend 10; A. Falconer 4, Gordon 6.

The Ketchikan baseball team and most of the visitors from the Alaskan metropolis who came here to attend the fair returned home on the Prince George last night. There was to have been a baseball game yesterday afternoon between Anyox and Ketchikan, but on account of the inclement weather it was cancelled. This afternoon the first of the football series between Ocean Falls and Prince Rupert is scheduled to take place with the second on Saturday. The Anyox baseball team arrived in the city on the Prince Charles yesterday afternoon and is to meet the locals today and tomorrow.

SNAPPY BOUT WAS SEEN HERE

Two Alaskan Boys Fought Ten Rounds and Joe Collier Given Decision

Joe Collier of Juneau clearly outpointed Joe Manila of Ketchikan in the ten-round decision bout that was staged here in the Empress Theatre last night. It was one of the snappiest bouts ever seen in the city and provoked the large audience that witnessed it to considerable enthusiasm. Collier had the best of it in the first, third, fifth, sixth, eighth and ninth rounds; Manila won the fourth and seventh, and the second and tenth were even.

Collier, on the whole, proved too fast for Manila and was able to duck consistently. Both men were apparently one-blow boxers Collier missed several chances to finish the bout by the knockout route but was either too anxious or unable to follow up. On several occasions, he had his opponent on the ropes in a position where a kayo might easily have been administered. In the fourth round, when Manila had the best of things, he too missed an opportunity to knock out Collier at the ropes.

The last round was the best of the lot and things got pretty lively. Both boxers were looking for the advantage and the result was fast fighting and exchange of heavy blows. Towards the end, both boxers showed signs of fatigue. Manila had his left eye closed in the third round and suffered from that handicap for the remainder of the bout.

George Cochrane refereed the bout and the official timekeeper was Max Heilbroner.

There were three good three-round preliminaries: Herbie Morgan of Prince Rupert vs. Ted Underhill of Ketchikan; George Howe vs. Ted Howe, and Brick Skinner vs. Dido Gurvich.

P. Laporte refereed the preliminaries and managed the entire tournament.

SEAL COVE PLAYGROUND

Gyro Club Offers to Furnish Equipment for City—Westview Opening Deferred

Having been approached by the board of works of the city council which recently received a petition from the ratepayers in the Seal Cove area asking that a playground for children be placed in that part of the city, the Gyro Club at its regular meeting yesterday considered the matter and decided to offer to instal the equipment next spring provided the city will prepare the grounds for the purpose. The site proposed is on Eighth Avenue East, near the Seal Cove School.

The Gyro Club has its equipment ready for the playground in Westview but, owing to delay in the arrival of certain parts from the East, it has been decided to store the equipment until next spring.

The club thus hopes to place the equipment both at Seal Cove and Westview about the same time.

Arrangements for the carnival that the club is to hold on October 12 and 13 for the playground fund are now taking concrete form and the event promises to offer a line of entertainment that will be both novel and attractive. Every member of the club will take an active part in the event and the Gyrettes may also be called upon. The program will include, beside multifarious carnival features, dancing, music, exhibition dancing and many other items.
