## Instantly Killed When Charge of Lead Enters Left Side of His Head

Edward Howe, aged 19, son of Mr. and Mrs. Joseph Howe, of this city, was instantly killed by the accidental discharge of a sholgan aboard the gasboat Rex G. near the beach at Ridley Island yesterday. The loaded gun was discharged into the left side of his head and he died instantly.

With deceased at the time was David Hudema, who in telling of the shooting said he had decided to go south to Swindle Island near Swanson Bay on a trapping expedition and had picked up Edward Howe yesterday morning about eight o'clock, leaving here at 9:30. About three =

and loaded a twelve hore shot-gun they had in the boat. They did not get the ducks so left the gun loaded in the canvas case.

About three miles farther on they again saw ducks and Howel ing it out must have allowed the hammer to get caught on a small wooden box near where the gun was resting with the result that it discharged the shot itting him on the side of the head and killing him almost in-
