BIG ENGLISH RACE OCT. 14

Cesarewitch Stakes to be Run Wednesday is Last of Important Events

LONDON, Eng., Oct. 12.—(By Canadian Press).—Public interest is centered on the popular autumn "double" that will virtually bring to a close the English flat racing season of 1925. The historic Cesarewitch Stakes is to be run Wednesday, Oct. 14, and the Cambridgeshire on Oct. 28, both at Turf headquarters. These two are the chief of the important autumn handicaps that close the season. Racing continues until the end of November, but there are only two or three races of any importance after the Cambridgeshire has been decided.

James A. de Rothschild's four-year-old Vionnet by Lorenzo Viorne, and Lord Derby's four-year-old Mandelieu, by Harry of Hereford Sunny Florence, are outstanding contestants in the Cesarewitch. Vionnet was sixth in the race last year. They are not by any means heavily weighted, Vionnet being set to carry 92 lbs. and Mandelieu 110. The official handicapper allotted top weight of 128 lbs. to both Somerville Tattersall's four-year-old Hurstwood, by Gay Crusader—Bleasdale, and James White's four-year-old Cloudbank, by Nimbus—Berengere. Cloudbank was given an extra ten lbs. to carry as the result of his victory in the Prince Edward Handicap early last month.

Other outstanding horses, whose entries have to be considered in looking for a Cesarewitch winner, are J. Shepherd's Winalof, Somerville Tattersall's Baton Rouge, S. Cohen's Confirmation, Frank Curzon Bellman and the Aga Khan's Juddi. The three-year-old Zambo, owned by H. H. Aga Khan, who has achieved a reputation for speed on the turf this season, will test his staying abilities in the race, one of the turf's most gruelling, over a course of two miles and a quarter.

SPORT CHAT

Borden School and the High School played to a two all draw in the Junior League football game on Saturday afternoon but the game will probably be replayed because the High School played a man contrary to the league rules. There are yet two matches to be played in the league schedule—Booth School vs. Borden Street and Booth School vs. the High School. Booth is now in the lead in the league standing and another victory will give them the championship.

Manna, the winner of the Epsom Derby and The Guineas this year, will never race again. After the Derby Manna had to be put in an ambulance and thus transported to its training quarters at Beekingham, near Wiltshire Downs, because of a badly crushed fetlock and a strained knee. The horse is completely recovered now, however, and will be placed in stud with the hope that some of his get will make even a more brilliant record than their sire. Manna's earnings during his short career amounted to £23,000.

H. E. Morris, Manna's owner, lives in Shanghai, but the cabled prospects of his horse for the big spring races looked so good that he took the long journey to England to see them realized.
