LEIGH WADE'S AUTO TRIP STARTS SOON

U.S. Round-the-World Flyer to Drive from Los Angeles to New York Without Stop

LOS ANGELES, Aug. 6—Lieut. Leigh Wade, pilot of the plane Boston in the U.S. Army's airplane flight around the world, accompanied by Linton Wells, a well-known newspaper man, will leave Los Angeles within a few days on one of the most difficult and most novel automobile tours ever attempted. They will endeavor to drive their machine, a Packard Eight, to New York over a route of 3,500 miles long without once permitting its forward motion to stop.

The trip is being made under the auspices of the American Automobile Association. The Boy Scouts of America, Rotary International, Chambers of Commerce in the cities and towns through which they will pass, police departments, state police organizations, local automobile clubs and many other organization, including railroad companies having lines over which the route will pass at grade, have been organized to aid in giving the car a clear right of way from Coast to Coast.

Lieut. Wade and Wells will alternate driving, one sleeping on a special cot in the rear of the big touring car while the other is at the wheel. Gasoline, oil, water and food will be taken on from other automobiles.

BRITISH TEACHERS ARE IN WINNIPEG

Party is Coming on to Edmonton, Jasper, Prince Rupert and Vancouver

WINNIPEG, Aug. 6. —On a 22-day tour of the Dominion forty British teachers arrived here last evening on the Continental Limited from Montreal. The party is travelling under the auspices of the League of Empire and is directed while on tour by E. M. Ord Marshall, C.B.E., honorary secretary of the league.

Arrangements have been made for visits at Edmonton, Jasper Park, Prince Rupert, Vancouver and Victoria, returning by rail to Jasper and thence east to Toronto and Niagara Falls. The entire trip is being made over the lines and steamships of the Canadian National, the party being accompanied by James Morrison, general passenger agent of the system at Montreal.

This party is one of the three groups of Old Country teachers which arrived in Montreal over the past week end. Tours through eastern Canada and the eastern states have been arranged for the 41 teachers comprising the other two parties.

ALICE ARM

Dr. P. Whelan of Anyox, who is leaving this district shortly for Seattle, was presented at the Toric Mines last week with a practitioners' case. The presentation was made by A. C. H. Gerhardi, managing director of the Homestake Mining Co., who expressed on behalf of the employees their appreciation for services rendered them by the doctor.

The Granby Co. last week suspended work on the Standard property on McGrath Mountain and brought all the equipment down to town.

The annual picnic of the Anglican Church Sunday School was held last week at Campers' Point. According to custom, Rev. W. F. Rushbrook lent the mission boat "Northern Cross" for the purpose.

Roy McKinley has left for Prince Rupert where he expects to spend six weeks.

Mrs. H. F. Kergin has returned from Victoria where she went with the remains of her father, the late Capt. McCoskrie of Prince Rupert.

NEW ENGINE NEEDED FOR HAZELTON 'PLANE

Railway Employees' Machine Cannot Now be Raised More than Twenty Feet

Harry Floyd, who has been at Hazelton renovating the hydroplane Hazelton with the idea of having the machine in operation this year, returned to the city last evening. He says it will be necessary to have a new engine as it is impossible to get the plane up more than 20 feet with the power it is now developing. He has taken a position with the Kaien garage.

Sport Chat

Cannefax, who got mad in his famous billiard match with Hoppe and cut the cloth covering of the billard table was out more than the $37.50 for a new cloth, as he has been ostracised from select billard circles in the U.S.A for a year. This means that he is unable to play in any exhibition matches and will lose considerable easy money which otherwise might have been his.

Fred S. Tomlin has created a new world's record for trapshooting. Up to July 15 he had shot at 2,025 clay targets, registered by the Amateur Trapshooting Association of America, and broken 1,995 giving him an average of .9851—the highest ever compiled on 2,000 tragets.

Local fans are ready for another game of baseball after two games have been postponed on account of rain and it is hoped that nothing will hinder the meeting of the Sawmill and Gyros in their regular fixture tonight. When these two teams last met it was as exciting a game as Prince Rupert has witnessed for a long time and the fans stayed in the rain to witness the finish which was a tie. A good crowd is sure to be on hand tonight to witness what promises to be a good game.

The final game in the city football league will be played tomorrow night at Acropolis grounds between the Cold Storage team and the Callies. The Cold Storage has made several changes in its team and is quite confident that they will be able to stop the winning streak of the Callies. The brand of ball played in this match will decide pretty well whether the games for the Gilhuly cup will be patronized, as the fans need a little encouragement to turn out for the football games at the present time.

The teams will line up as follows:

Cold Storage—A. Murray, H. M. D. Lambe, D. Jack, H. Carlson, J. Sims, A. McDonald, J. Corbett, A. Harvey, C. Norrington, E. Bye and S. Elder. Reserves: S. Darton, C. Whatman and T. Torney.

Callies—E. McLean; H. Hamilton and M. Andrews; J. Harris, S. Currie and R. Woods; A. Mitchell, R. McDougall, W. Mitchell, W. Hamilton and D. Scott. Reserve—J. Hamilton.

T. A. Kelly was a passenger for the south on the Princess Louise yesterday.
