"The Heart of a Siren"

Barbara La Marr and Conway Tearle as the sublime lovers in a great love play of luxury and beauty. Barbara, more gorgeously gowned, more beautiful, more alluring than ever. She rules the heart strings — she plays while men dance to the tune of her beauty. He saw her. An exotic creature, with the grace of a modern Venus, moving through the orchid scented gardens of Southern France and this strong man took her in his arms—threw position, future, all, to the winds for one rapturous moment. Siren of hearts—graceful—tempting. Each broken heart just one more conquest. An exquisite photoplay—set in luxury—staged in splendour. Strong cast.
