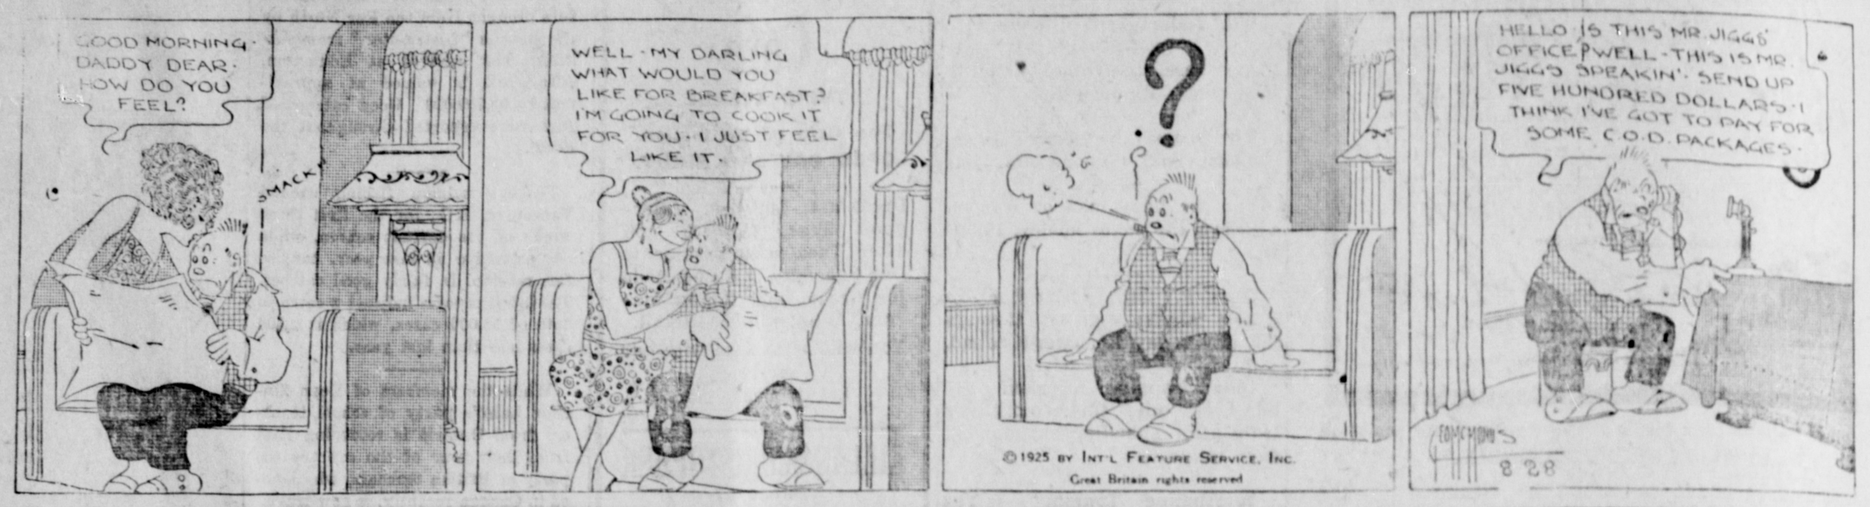
BRINGING UP FATHER

By George McManus



I wish I knew

"I wish I knew what to put on these floors!" So often you hear that remark. It is only because those people who make it, have had their fill of waxes, oils and cheap varnishes. The man or woman who has used the right floor varnish has no floor troubles.

Try 61 Floor Varnish next time, we guarantee it to give satisfaction. Sold only by

Plenty of Baseball During Week of Fall Fair Promised; Ketchikan and Anyox Coming

Football Games are also Being Arranged; Ocean Falls Crack Team Coming to Meet Best of Locals in Two or Three Matches

Arrangements for a Fair Week baseball series in which Ketchikan, Anyox and Prince Rupert will participate and a football series between Prince Rupert and Ocean Falls have been finally reached, Ben Slef, president of the Fair Board, announced yesterday afternoon.

The final drafting of the program was delayed pending negotiations regard the transportation of the Ketchikan people to and from Prince Rupert. This was cleared away yesterday when arrangements were closed with the Canadian National Coast Steamship Services and accepted by Ketchikan. Under the special time table thus agreed upon, the Ketchikan delegation will leave Ketchikan at 5 o'clock Monday morning, September 7, on the steamer Prince Rupert and will arrive here at 11 o'clock the same morning. They will spend practically three days here and, returning home on the Prince George, will leave Prince Rupert for Ketchikan at 7 o'clock Wednesday evening. These specially timed sailings will handle the Ketchikan baseball team and a large crowd of supporters numbering at least 100.

The Anyox baseball team and the crowd of supporters from the smelter town will reach here Tuesday evening or Wednesday morning and will return north towards the end of the week.

The Ocean Falls football team will reach the city on the Prince George on Wednesday of Fair Week and will return south on the Prince Rupert Saturday evening.

The schedule for the games to be played is tentatively set as follows:

Baseball

Tuesday — Prince Rupert vs. Ketchikan.
Wednesday — Ketchikan vs Anyox.
Thursday — Prince Rupert vs. Anyox.

There will possibly be a second game between Anyox and Prince Rupert on Friday.

The football games between Ocean Falls and Prince Rupert will be played on Thursday and Friday and there will possibly be a third game on Saturday.

With the completing of arrangements to bring the Ketchikan baseball team to the city, it is announced that negotiations that have been pending with Stewart have been dropped.

The playing of baseball and football games between native teams during Fair Week have yet to be finally arranged.

KETCHIKAN WINNER ALASKA BASEBALL

Beats Juneau Last Saturday and Sunday and Carries Home Honors

KETCHIKAN, Aug. 28. — The Ketchikan baseball team has arrived home bringing the scalps of the Juneau nine and the championship of Southeastern Alaska. The visitor's victory was decisive, the visitors outplaying the home team in virtually every department of the game.

Saturday the Ketchikan team gave Tom Smith almost perfect support while he held Juneau to a solitary bingle, the former winning 9 to 0. In the first game Sunday afternoon Ketchikan won 6 to 4, and in the final trimmed the locals 11 to 6.

With almost every man a potential hitter and a well developed brand of team play, Ketchikan had a formidable organization. It was its ability to smack the apple when hits meant runs and a smooth even game on the defensive that gave it the edge in the series.

Smith pitched one of the prettiest games seen here this season. He had everything and turned Juneau back in one-two-three order in every inning except the first and fifth. Peck's homer, in the eighth inning with none on bases was the hitting feature.

GILHULY CUP GAME PLAYED

Callies Had Things Almost All Their Own Way Last Evening

The Gilhuly Cup football game last night, won by the Callies 4 to 2 from the Cold Storage, was too one-sided to be particularly interesting. The Scots had their opponents outclassed, the Cold Storage, with a re-arranged line-up, being particularly weak on the half back line.

The Callies got away to an early start, scoring two goals within five minutes of the start through D. Scott and A. Mitchell. W. Mitchell scored again for the Callies and J. Sims for the Cold Storage, making the score 3 to 1 when the teams crossed over.

In the second half D. Scott scored the fourth for the Callies and D. Lambe the second for the Cold Storage from a penalty, after Wiper had missed a penalty shot.

In the first half, S. Darton, who was playing in the forward line for the Cold Storage, sprained his ankle and could not return to the field.

There was a good crowd in attendance. P. Krause refereed and the Chesmen were A. Clapperton and G. Cochrane.

The teams took the field as follows:

Cold Storage — A. Murray, goal; C. Whatman and D. Jack, full backs; A. Harvey, S. Elder and J. Sim, half backs; D. Lambe, S. Darton, S. Erskine, C. Wiper and C. Norrington, forwards.

Callies—E. McLean, goal; H. Hamilton and J. Harris, full backs; George Mitchell, S. Currie and R. Woods, half backs; A. Mitchell, R. McDougall, D. Scott, W. Mitchell and W. Hamilton, forwards.

The Gilhuly Cup standing to date is as follows:

	W.	L.	Pts.
Callies	3	0	6
S. O. E.	2	1	4
Cold Storage	0	4	0

The last scheduled game of the series will be the encounter of the Callies and Sons of England next Tuesday evening. Should the Sons of England win, the standing will be even with a play-off necessary between the Sons and Callies to decide ownership of the trophy. All the Callies will have to do will be to win or draw this game to carry off the last piece of silverware of the season.

Sport Chat

With a baseball team coming here next week from New Metlakatla, Alaska, for a series of games with Prince Rupert and the three-cornered competition arranged for during Fair Week with Prince Rupert, Anyox and Ketchikan participating, local fans will indeed have a full program to engage their attention during the next fortnight and the players themselves will have their work cut out. Five and possibly six games with outside teams within ten days will be the biggest program that has ever been presented here.

Reports brough here by people who have seen the New Metlakatlans in action are to the effect that they comprise a strong baseball aggregation that has been able to take care of itself pretty well with anything that offered in Alaska. More particularly they are said to have a husky hurler who commands respect from all the batsmen who face him. In view of the reputation of the visitors coming next week, it has been decided that they will be faced with all star aggregations in the two games and not separately by the Gyro Club and Sons of Canada as had been originally intended.

The last of the post-season series of baseball games between the Sons of Canada and the Gyro Club will take place this evening at Acropolis Hill grounds. These games have apparently been proving popular with fans and there will undoubtedly be a good crowd on hand tonight to see what will probably be the last local league game. Next week there will be the series with New Metlakatla followed by Fair week after which the curtain will in all probability ring down on baseball as far as this season is concerned.

JUNEAU MAKES WAR ON RATS

Girl Leaders in Campaign Use Poison and Get Good Results

With the endorsement of Mayor James J. Connors and the City administration, and of Territorial Health Commissioner Henry C. De Vighne, and the fine co-operation of the public, war is being successfully waged on the rats and mice, which have divided occupancy of Juneau with the people, says the Juneau Empire. The leaders are Miss Anna Mae Wright, of Portsmouth, Virginia, and Miss Helen A. Caldwell of Huntington, West Virginia, who are touring the United States to direct poisoning campaigns against rodents. Both girls are pleased with the co-operation they are getting.

Miss Wright said this morning that the most of the business district, including the docks, warehouses, etc., has been baited.

The drug stores and hardware stores of Juneau can supply barium carbonate, the poison recommended by the Department of Agriculture for use against rats, which is the poison used by Miss Wright and Miss Caldwell.

"The method of using the poison is so simple," said Miss Wright, "that any housewife can mix and place it, and the action of barium carbonate is such that the rodents die in the open while seeking water, so that there are no unpleasant after effects in buildings where it is used."

Fifty cents worth of barium carbonate is sufficient for use in ordinary buildings, and will wipe out from 100 to 50 rats if properly used and placed. The poison is mixed with any food that rats eat, in the proportion of one teaspoonful to three teaspoonfuls of food. The prepared baits are placed in the runways used by the rodents.

Where poultry or other small animals that might eat the poison are kept, they can be protected by placing the baits in small open boxes in which holes have been made for the rats to enter.
