PROTECTION OF GAME PLANNED

Bill Brought Down Last Week Forbids Killing Deer with Shotgun and Forbids Pitlamping

VICTORIA, Dec. 15.—Forbidding the use of shot-guns to kill red deer and otherwise putting "teeth" into the Game Act, a lengthy bill containing many important amendments was brought down by Hon. A. M. Manson, Thursday. The amendments, generally, are designed to prevent useless slaughter of game and to see that killing of game is done in a humane manner.

The amendments, in addition to providing that deer shall not be killed except by bullet from a rifle or other firearm, also provides that game birds must not be shot with a rifle.

One clause states that no person shall have in his possession the carcass of any deer from which all evidences sufficient to indicate conclusively the sex of the deer have been removed, unless the carcass has been transported to the place where it is proposed to consume it.

Headlights Barred

Pit-lamping regulations are also tightened up by a clause which declares that any person found in the vicinity of any forest or woodland, or in any locality where game is usually found, with headlights of any description, and firearms in possession, or found hunting game, birds, or fur-bearing animals with any pit-lamp, spot-light or other light in his possession, shall be liable to immediate arrest without a warrant by any game warden or constable.

Discharging of any firearms across any travelled road or highway also is forbidden, and hunting is prohibited on lands where the "no shooting" notices are posted 300 feet apart, even if the property is unfenced.

Loose Dogs May be Shot

Dogs running at large between April 15 and August 15, inclusive, in any locality where game birds usually are found, may be shot immediately by game wardens and constables if they are unable to capture the dog readily.

Cats running at large in similar localities are also to be shot on sight or otherwise destroyed.

Persons not resident in the province are prohibited from carrying firearms or fishing tackle except in a public conveyance unless they have taken out a license.

Throughout the amendment it is made clear that the Game Board is an advisory body only and the administration and issuance of all licenses and permits is in the hands of the provincial game warden.

MOUNT OLDFIELD PIPE LINE PERPETUATION LAID BEFORE COUNCIL

Proposal to Repair Existing Line and Duplicate it by Another Similar is Recommended

The value of having such an emergency system in working order having been emphasized during a recent breakdown in the city water main from Woodworth Lake, the Board of Works placed a report before the council last night recommending that the 1926 council repair the present six-inch main from the Mount Oldfield dam and parallel it with another six-inch main. It was explained by Acting Engineer Crewe that a cost of $8,500 would be involved in the work recommended. The two pipe lines would be able to keep the Acropolis reservoir full of water in case there should be a breakdown in the gravity system.

The council discussed various phases of the proposed work and, on motion of Ald. McMordie seconded by Ald. Brown, the report was laid over for a week so that the aldermen may go more fully into it.

CRIBBAGE LEAGUE

St. Andrew's, War Vets, Orangemen, S. of C., Moose and K. of C. Were Winners Last Night

MAYOR VETOES COUNCIL VOTE

Refuses to Allow Motion to Carry Even Though Majority Are For It

Mayor Newton, at last night's meeting of the city council, put his veto on a resolution passed by the council that F. W. Pearson, former city engineer, be paid his salary for nine days during the month of June on which he worked before leaving the city.

The matter came up in a letter from Mr. Pearson requesting that a check covering June salary be sent to him.

Ald. Casey moved that Mr. Pearson be informed that all employees of the city on a monthly basis were required to give a month's notice before leaving and that, inasmuch as he had not complied with that regulation, the council was not inclined to comply with his request. This was seconded by Ald. Larsen.

Ald. McMordie moved in amendment that Mr. Pearson be reimbursed for the nine days he had actually worked in June. Ald. Stephens seconded the amendment.

On being put to the vote the amendment carried, Ald. McMordie, Ald. Stephens, Ald. Brown and Ald. Smith favoring it and Ald. Casey, Ald Larsen and Ald. McKechnie voting against. The mayor thereupon vetoed the resolution, giving no reason for the action.

REMOVING OF ROCK CRUSHER

Widely Signed Petition Requests City to Excavate Hill at Corner of McBride Street and Seventh Ave.

A petition from 180 residents and property owners of Seventh Avenue West requesting that, when the rock crusher is through with its present work on Sixth Avenue near Fulton Street, it be moved to Seventh Avenue and McBride Street in order to provide a much needed outlet for Seventh Avenue East instead of being taken to private property on First Avenue was presented to the city council last night. The petition stated that more people would be benefitted in this way. Appearing as a delegation in support of the petition were J. W. McKinley, J. Hampton and D. B. McDougall.

The petition, together with a recommendation from the Board of Works that the crusher be moved to First Avenue and employed in removing rock from the lots of J. Postulo in return for which Mr. Postulo would deed one lot over to the city, was referred to the Board of Works for report and members of the delegation were invited to meet and discuss the matter with the committee on Thursday night.
