## YOUR CANCELLED CHEQUE IS A RECEIPT

If you pay each account by cheque on the Bank of Montreal the man who gets it automatically signs a receipt when he endorses the cheque to get his money from the bank. He can not cash your cheque without first signing his name on the back, thus acknowledging payment.

It is because of this method of doing business that payment through your bank is the sure, safe, economical way. You need not even call to pay a bill. Just mail your cheque to the person to be paid.
