**AL SMITH IS LOOKING AHEAD**

Governor of New York Opens Campaign for 1928 Presidential Election

WASHINGTON, Oct. 30.—(By Canadian Press)—Governor Al Smith of New York, in his recent trip to Chicago and speaking before a big demonstration, virtually opening his campaign for the 1928 presidential nomination, is not at all pleasing to many democratic leaders. The fact is that many long-headed democratic chieftains would like to banish both Smith and McAdoo until after 1928. They see no prospect of party harmony or party success in the presidential campaign until both are put out of business as serious political factors.

Smith is almost sure to be a more powerful candidate in 1928 than he was in 1924. He is busy building up a potent organization. On the other hand, the antagonism to him among some elements for religious reasons, prohibitions, and other reasons, seems likely to be even worse than in 1924. Smith's activity, as many see it, means inevitably a badly split democratic party in 1928. Possibilities exist of such bitterness in the next democratic convention that there will be a bolt. Smith's nomination is hardly possible in view of the feeling of some elements against him but should he be nominated his election would evidently be doomed to failure in advance. The McAdoo forces would line up to kill off Smith just as the Smith forces would line up to kill off McAdoo.

Republican leaders are not at all displeased over Smith's activity. They feel that it makes the situation in 1928 easy for them. They would expect to get the Klan vote in a body if Smith should be named.

The prospects are that the democrats may be able to capture the Senate next year. The Smith and anti-Smith fight will have little effect on the senatorial contest, as each senatorial fight will take on many local aspects. However, many democratic leaders are apparently cold and indifferent to democratic victory next year. Their reason is that they believe the democratic party would be in a better position for 1928 if the Republicans should continue to have full responsibility for all parts of the government until that time.

**MAITLAND'S MESSAGE TO SKEENA PEOPLE**

President of B.C. Conservative Association Sums up Results of Election

R. L. Maitland, president of the B.C. Conservative Association, made the following statement last night:

"We must congratulate Mr. Stork upon his election. The Conservatives of Prince Rupert are now in a position to see clearly the necessity for a campaign of organization. In Mr. Bushby we had a candidate of the highest possible standard, an honor and a credit to the constituency.

"Mr. Bushby was defeated by an influence that, apparently does not exist in other parts of British Columbia which is a tariff province and B.C. went Conservative.

Dealing with the Dominion situation Mr. Maitland said Mackenzie King accepted the present situation when he asked for a dissolution. He said he couldn't

**TORTURED BY A "DEAD" STOMACH**

"Fruit-a-tives" bring relief from Chronic Constipation

MR. FRED LUDLOW

"For a great many years, I was a martyr to Constipation and Indigestion; nothing I tried ever did me any good. I was induced to try "Fruit-a-tives" and they brought relief with the first tablet; and by taking this splendid medicine at regular intervals, I suffer no more. I CAN NOW EAT ANYTHING WITHOUT FEELING THE SLIGHTEST PAIN OR DISCOMFORT AFTERWARDS."

So writes Mr. Ludlow, a former U. S. Vice and Deputy Consul in Great Britain, and now of 161 West 36th Street, New York. Thousands have been relieved of the miseries of Constipation and Indigestion by "Fruit-a-tives", the famous natural remedy made from the concentrated and intensified juices of fresh oranges, apples, prunes and figs. 25c and 50c at all dealers.

**BUYING WHEAT FROM RUSSIA THIS YEAR**

BRANTFORD, Ont., Oct. 30.—Any development of the Russian export wheat trade must be at the expense of the Canadian exporters, the Canadian Co-operative comments in reprinting the following report from the Scottish Co-operative.

"Acting principally on behalf of the Co-operative Wholesale Society, the Anglo Russian Wheat Exporting Company, Manchester, has ordered half a million tons of wheat and barley from Russia. A hundred vessels have been chartered in London and the first shipments are now en route to Avonmouth.

"The C.W.S. has the prior claim on the corn, and is anxious to check up speculative operations which last year sent up the price of the Canadian crop. The rest will be available for private buyers."

A well known competitor upon the Bisley ranges has just been expelled from the membership of the London and Middlesex Rifle Association for having tampered with his score cards. On a wretchedly bad day for shooting he is alleged to have returned a score of 92 out of a possible 100 at the long range. At first the offender treated the matter as a joke, but later admitted the offense, and his disqualification and expulsion followed. The matter has been reported to the National Rifle Association, and if they find the facts true they will
