THE MAN IN THE MOON says:

A MAN can't embrace every opportunity.

I STOOD on the bridge at midnight
And the moon shone bright above,
As I whispered that I loved her
And she questioned " What is love?"

WHEN the old people said "Get a wiggle on you" they were not in prophetic mood referring to the Charleston.

A CIVIC election is not really always as funny as it appears.

DIETING may not make you live longer but at anyrate it will seem longer.

AS a result of the experiences of a local man, Prince Rupert people are seriously advised that it is inconvenient and uncomfortable to place the head against a thirteen thousand volt electric line.

THE Winnipeg Free Press writer says the other day he bought a can of horseshoe salmon and there was no horseshoe in it. He is disappointed, apparently for he was looking for good luck.

AUSTIN Chamberlain, I am reminded, is not the only one who is decorated, may I even say gaily decorated, with the order of the garter.

THE glory of a woman is her hair,
And I positively declare,
I believe its beauty is more rare,
When it's bobbed, so there.

THE very depths of poverty and despair is when a person has worn out his flivver and positively does not know where the next car is coming from.

ST. ANDREW'S SOCIETY HONORS S. D. MACDONALD

Was Presented With Life Membership Last Night—Burns Banquet to be Dispensesd With

At the regular meeting of the St. Andrew's Society last night, S. D. Macdonald, past president of the society, was presented with a beautiful life membership scroll as a mark of appreciation for his services. The presentation was made by Ald. W. M. Brown and Mr. Macdonald replied suitably. The scroll was the work of the local artist, Morte Craig.

During the evening, there was an impromptu program, those taking part including Ben Ferguson, A. Hunter, J. McLean, A. Clapperton, Ald. W. M. Brown, Alex Connon and R. Wiggins. There was also community singing and W. Vaughan Davies was accompanist for the evening. First Vice-president George Abbott was in the chair. Refreshments were served under the direction of the house committee.

At the business session, it was decided to hold a supper and Scottish dance on Burns' Anniversary this winter instead of a banquet as in former years.

The attendance at the meeting was the largest for some time and two new members were introduced to the society.

She Could Never Do The Things Other Girls Did

Miss I. J. Ross, Scollard, Alta., writes:—"I am only twenty years old, but have suffered from heart palpitation and nerve trouble for several years.

I could never do the things other girls did, that is, in the line of sports, skating, etc., and could never depend on myself at work.

About six months ago I began taking

MILBURN'S HEART AND NERVE PILLS

and am just twice the girl I was, and can enjoy everything in general life so much more. I am very grateful for what your Pills have done for me."

Put up only by The T. Milburn Co., Limited, Toronto, Ont.
