FARMERS' INSTITUTE TERRACE CONVENTION

Gathering Last Week Dealt With Matters of Interest to Farmers of Interior

TERRACE, Oct. 27. — The annual convention of delegates representing farmers' institutes in Central British Columbia was held in Terrace, representatives being present from most of the institutes concerned. H. A. Swain, Terrace was elected chairman and H. Halliwell, Terrace, secretary.

Dr. R. C. Bamford, of Endako, a member of the advisory board to the Department of Agriculture, addressed the convention and commended the excellent relations between the Skeena and Bulkley district and the Prince George district which he represented, and urged that co-operative activity between the two districts should be encouraged in every possible way by the two districts assisting each other to solve their problems. There were immense problems to solve in the area, and he felt that it was necessary to keep urging upon the government the necessity of securing to the settlers in Central B.C. the means of living by encouraging the developing of their natural resources. If they did that there would not be so much trouble to find markets for their produce. But it was necessary for them as farmers to exert themselves so as to win the respect they were entitled to.

J. W. Turner, Smithers, complimented Dr. Bamford on the value of the various suggestions he had put forward, and on the motion of W. B. Kerr, Wistaria, it was agreed to put the appreciation of the convention on record.

H. L. Frank, Terrace, was chosen to represent the district on the advisory board, with W. B. Kerr, Wistaria, as alternative.

A resolution asking that assistance be given to young farmers and farmers' sons in remote places to take the course in agriculture at B.C. university was referred to the advisory board.

No action was taken on a suggestion from Cedarvale that small contracts be opened to settlers for highway work and Mr. Whitney Griffiths promised to obtain information re a suggestion from the same district that farm labor should be paid for by the hour and a minimum wage fixed for the same.

Tax on Orientals

A suggestion that a tax be put on produce grown by others than British subjects was turned down as being out of order, but a similar resolution substituting the word "Orientals" for the term "others than British subjects" was approved.

A resolution protesting against the granting of a rebate on powder used in clearing land for agricultural purposes to others than members of farmers' institutes where such bodies exist, was withdrawn after the position was explained by Mr. Whitney Griffiths.

Whitney Griffiths addressed the meeting at considerable length, recounting many of the advantages and improvements which had been obtained through the activities of the farmers' institute movement throughout the province. He outlined the position with regard to the marketing of produce successfully, the production of seed, the rapid improvement in the egg situation, and many other kindred subjects, and was accorded a very warm vote at the conclusion.

It was decided to set up a district association to facilitate intercourse between the various institutes and completing the organisation of ths district. Of this new body H. A. Swain was chosen chairman and H. Halliwell secretary, the secretaries of all local institutes being appointed to the directorate.

MR. AND MRS. SUNDAL ENTERTAIN AT BRIDGE

Terrace Event Proves Very Enjoyable With its Novel Features

TERRACE, Oct. 27.— Twenty-four guests enjoyed the delightful hospitality of Mr and Mrs. O. T. Sundal on Friday evening when they entertained at six tables of bridge. Highest scores for the evening were made by Mrs. Geo. Little and L. H. Kenney. Delicious refreshments were served by the hostess, assisted by Mesdames Aldous, Little and Dover. After coffee each guest was given a paper on which a good joke or witty saying was printed. These were read aloud and were very mirth-provoking. All agreed it was one of the most sociable evenings ever enjoyed here.
