UNEMPLOYMENT . IN VANCOUVER

Ten Thousand Men Will be Out of Work in Southern City This Winter

VANCOUVER, Dec. 26. — Approximately 10,000 men will be out of work in and around Vancouver within the next few days, it is estimated in official circles. Lumbering operations are closing down, road work has ceased and other lines of industrial work are slowing up with the result that prospects for new employment are not bright.

The influx puts Vancouver civic authorities up against a serious proposition. "We cannot take care of all of them," Ald. Garbutt, chairman of the relief committee, stated. "Work is provided for our own citizens as far as possible. But outsiders largely will have to look after themselves. I feel that the provincial government should do something to alleviate the situation."

No Relief Work

No steps can be taken to provide relief work until application is made by George Ireland, head of the department, according to Ald. Garbutt and there will be none available until January 6 when the new council meets, unless the situation grows so serious that an emergency session will be necessary to cope with the same.

Estimates show that already nearly 6,000 men in the vicinity of Vancouver are jobless, and this number is being augmented daily by arrivals from up coast and interior points.

"Little hope can be held out," says J. H. McVety, superintendent of Provincial Employment Bureaus, for any alleviation of the condition within reasonable time. I know of no big work which is to be undertaken and the situation grows increasingly grave with new arrivals."

EDMONTON TO HAVE AUTOMATIC PHONES

Prairie City's System Will be Modernized Next Spring

EDMONTON, Dec. 26. — The days of push buttons on city telephones here are numbered. Arrangements are being made by the telephone department to put equipment at each sub-station which will give an automatic ring when receivers are lifted.

A requisition, amounting to approximately $4,000, has been made for switch material to be purchased from the Northern Electric Companw. The modernization work will commence next spring, to be completed towards the end of next year, when the cut-over takes places at the South Side exchange. The innovation will bring all telephones to standard and is expected to effect considerable saving in maintenance costs.

UNION CHURCH XMAS TREE AT TERRACE

Enjoyable Time Was Spent by Kiddies and Parents on Tuesday Night

TERRACE, Dec. 26. — The Union Sunday School held its annual entertainment and Christmas tree on Tuesday evening in Progress Hall. The hall was thronged to capacity with children and their parents. An interesting program given by the children, under the direction of the different Sunday school teachers was much enjoyed. After the program Santa arrived on the scene and the kiddies were all treated to a box of Christmas goodies.

SMITHERS

Considerable snow has hampered transportation recently to and from the Duthie mine. On Monday snow continued to fall during the day in Smithers and, while it reached a depth of but a few inches in town, the precipitation was much greater on the higher levels of Hudson Bay mountain.

The various divisions of Smithers school marked the closing for the Christmas holidays with concerts and a general exchange of gifts from Christmas trees in the rooms.

W. Devitt of Topley has been visiting in town.

Driftwood school closed for the Christmas holidays with a very enjoyable entertainment and dance. Immediately following the program Santa Claus appeared and deighted all by his happy distribution of the many gifts displayed on the tree. Thanks are due to the teacher, Miss Marjorie Roberts, for her great interest in training the children. A number of Smithers friends contributed generously to the delicious refreshments served during the evening.

HAZELTON

Arthur Kerr, of the Falconer Transfer, is spending the winter in Prince Rupert.

H. W. Edwardson of Victoria, who is teaching school at New Hazelton, is spending the Christmas holidays at his home.

In the list of arrivals is Miss H. Grant, home from Prince Rupert to spend the Yuletide vacation, and Jack Sargent, a local scholar at the King Edward High School in Vancouver.

Mrs. C. V. Smith, after a three weeks' tenure at the hospital following a serious but successful operation at the hands of Dr. G. A. Petrie, is now completing convalesence at her home.

According to official notification received here this week, Miss Kathleen Gibson, a very popular young lady who, for close to three years, has worked as a probationer on the nursing staff of the hospital, has met with brilliant success in the recent examination for qualification for registered nurses, being tenth on the list in British Columbia.

Dr. G. A. Petrie, who was here relieving at tthe Hazelton Hospital while Dr. Wrinch was attending the session of the legislature, has returned to Vancouver.

TERRACE NOTES

Stanley Brooks arrived home on Monday night from Irma, Alta., coming via Prince Rupert.

S. Kircaldy returned home on Monday night after a few weeks spent in Prince Rupert.

Mrs. K. Olson returned on Wednesday from Rupert.

Jarvis A. Bullied of Saskatchewan, well known to many old settlers here, where he spent some years before the war, is renewing acquaintances in town and vicinity.

Dan Clacher, Tom Ross and Orville Kenney of the pole camps at Remo, were in town to spend Xmas.

J. M. Siegfried, who is operating a trap line at Shames, was in town for the hoilday.

R. H. Eaton and Major Hearne of the Lakelse Hatchery staff were in town on Thursday.

Mr. and Mrs. R. F. Doll, Woodcock, spent Wednesday in town.

Mrs. A. Hobensheld of Woodcock, was a visitor in town on Wednesday.

J. McLean and A. E. Little of Vanarsdol were in town to spend the holiday at their homes.

J. Couture and O. Gendron, Kalum Lake mining men, left on Wednesday on a trip to Vancouver.

SPORT CHAT

Students from the University of British Columbia will conduct their annual invasion of Victoria on January 1 and 2. Some three or four hundred pupils will make the trip from the mainland to the capital city and the program will consist of a swimming gala in the Crystal Gardens, ball in the Empress Hotel, basketball games at the Victoria High School gymnasium, ice hockey at the arena and football and badminton. Two of the customary events this year have been dropped—the rowing contests and the McKechnie Cup rugby game.

Babe Dye, captain of the Toronto St. Pats, leads Cy Denenny of Ottawa by one goal in the N.H.L. scoring race this season. Dye has seven goals to his credit, and Denenny six. Four centre ice men, Nighbor, Ottawa; Stewart, Montreal; Cooper, Boston, and Morenz, Canadiens, are next, with five goals each, indicating that the battle between the pivot men is a keen one. Broadbent, Montreal; Langlois, New York; Noble, Montreal; White, Pittsburg and Siebert, Montreal, have scored four each Pittsburg and Boston players are away down in the list, and their lack of sharp shooters is very apparent so far.

Billy Palmore, who has been on a hunting trip to the Wark Channel district with Jack Dean, returned to the city on the Catala this morning.
