MEETING OF FAIR BOARD

Art Pictures Shipped from Ottawa—Closing Sport Feature Arrangements

The Fair Board has been notified by wire from Ottawa that a group of twenty pictures from the National Art Gallery at Ottawa had been shipped here to be exhibited at the Exhibition next month. The board has been negotiating for these pictures for some time.

The board at its regular monthly meeting last night also dealt with a report from the sports and attractions committee. S. D. Macdonald, chairman of the committee, explained the situation as concerned sport and discussion followed. Final arrangements are about to be made to have adequate competition with outside teams at the Fair and meeting are being held today with the Baseball and Football Associations.

A report was received from the building committee and tender for construction work that is to be done will be opened today. There were communications from the prairies regarding the showing of livestock but it was felt by the board that, for the present at least, the Association could not conveniently accommodate such exhibits.

It was decided to make further rulings regarding the students' ticket selling competition so that the activities of the candidates may be better followed.

The publicly committed was authorized to proceed with advertising arrangements.

Final arrangements were recently made by the board to bring the Aiyansh' native band to the city to provide music at the Fair. The First North B.C. Regiment Band will assist.

Those present at the meeting last night were Ben Self, president, John Bulger, Frank Dibb, S. D. Macdonald, W. D. Vance, Fred Scadden, Ald. Perry, A. D. Plant, W. H. Sherman, jr., and D. McD. Hunter.
