SYNOPSIS OF

PRE-EMPTIONS

Vacant, unreserved, surveyed British subjects over 18 years of age, lates. and by aliens on declaring intention to become British subjects, conditional upon residence, occapation, and improvement for agricultural

Full information concerning reguations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Gov-

ernment Agent. Records will be granted covering only land suitable for agricultural feet per acre west of the Coast Range

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner. Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be

For more detailed information see Bulletin "How to Pre-empt

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands." Mill, factory, or industrial sites on timber land, not exceeding 40 acres. may be purchased or leased, the con-

ditions including payment stumpage. HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites. conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES For grazing and industrial purposes areas not exceeding 640 acres

company. GRAZING Under the Grazing Act the Province is divided into grazing districts and the range administered under a Commissioner. grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range

TWO MIRACLES AT ST. ANNE DE BEAUPRE

Young Woman and Young Man Said to Have Been Cured at Shrine

QUEBEC, July 10 .- Two miracles are reported to have taken place at Ste. Anne De Beaupre during the week just ended. Miss Mary McKenzie, eighteen years of age, of Detroit, Michigan, who had suffered from birth with a displaced hip, is reported to have been cured after she had spent a day in prayer at the shrine of Ste. Anne. The girl, according to the story told by her companions saw her sink to her knees for the first time in her life. At the same moment she uttered a cry that she was cured. Her injury had prevented

TO HOLD MILLION

The first unit of the Victoria igrain elevator proposed to be lerected by the Panama Pacific Grain Terminals Ltd. is to cost approximately * \$1,100,000 will have a capacity of a million bushels, almost as large as the elevator being built here. Discussing this elevator the Victoria Times says:

"The Panama Pacific Grain Terminals Limited is composed largely of prominent grain growers of Saskatchewan. Its officers cubic are men of experience and sound judgment, who were quick to appreciate the advantages offered by Victoria as a grain port, and the excellence of the Ogden Point site. This is particularly gratifying in view of the fact that before Mr. Mooney, the president of the company, got into contact with the Victoria Chamber of Commerce he had investigated a number of sites on the Mainland, and had very little information of what this port had to offer. He very readily grasped the possibilities of this place when they were presented to him and had no hesitation in recom-Crown lands may be pre-empted by | mending the site to his associ-

IS TO BE DEVELOPED

CHICAGO, July 11. - On the Monmouth-Maywood air mail experimental track are being test-BUSHELS ANNOUNCED ed eight new different types of airplanes from which it is hoped to develop a standard mail plane.

The all-metal monoplane, the first of the Ford series, is capable of carrying 1,000 pounds or and more of mail, while the "Carrier Pigeon" and "Mercury" have a similar capacity. The others include a "World Cruiser" type, a Boeing, a Huff-Deland and a Cox-Clemens.

Present air mail planes of the De-Haviland type carry only 500 pounds of mail, due to lack of capacity.

CONDUCTED TOUR

Big Party of Tourists From Winnipeg and Other Points Here This Afternoon

Saturday Matinee, 3 p.m.

INOTH

Adapted from the celebrated story by Emerson Hough which ran through the pages of the Saturday Evening Post. A true screen play of pioneer days. A tale of Texas during its most interesting period. The time is directly after the Civil War. The terrific struggle of the caltlemen to find a market for their stock and the hardships endured by the settlers are very clearly shown. The huge cattle drive carries one through early Texas, Oklahoma and

Kansas. A picture that has everything-love, romance, adventure, thrills, heart interest and drama. Many notable scenes form the highlights. There is not a single lagging moment. None should miss the big stampede, the attack on the wagons, the fording of the Red River on the Texas-Oklahoma border, the treaty of peace with the Comanches, the fierce battle between Holt and Beery and the picturesque wedding of Holt and Miss Wilson. Through this great panorama may be seen sinewy men with a glorious girl-rancher at their head, the ox-carts and the sea of longhorned cattle accomplishing one of the greatest deeds of

pioneer bravery and daring. Strong cast. Jack Holt, Lois Wilson, Ernest Torrence, Noah Beery, Guy Oliver, Ella Miller and many others.
