MOOSE PICNIC HUGE SUCCESS

About 1,000 People Attended Affair Yesterday at Digby Island

The Moose picnic held yesterday at Digby Island was a complete success. Postponed twice on account of weather conditions the third time proved to be all that could be desired as far as the weather man was able to arrange the matter. Early in the morning the members of the local lodge were busy in making preparations for the day and soon a large number of boats were busy carrying picnickers across the harbor. Several of the boats made three or four trips to accommodate those who wished to go and, when evening came, it was found that there were about a thousand to be transported home. By this time several boats had been added to the fleet and little difficulty was found in carrying out this part of the program with despatch.

There had been arranged a long and varied list of sports which were run off quickly. Perhaps, the most interesting item in the whole program was the tug of war between members of the Moose and men employed at the elevator. This was a hard and long drawn out battle. After one rope had broken twice and a new one procured, a long tedious pull for thirty minutes, that the members of the Moose were declared the winners. P. LaPorte was captain of the Moose team and J. L. Currie captain for the elevator.

Sport Chat

Announcement was made this morning that the Great War Veterans had dropped out of the Senior Football League. Accordingly there will be no game played this evening. With the league series now almost over, this will mean that the Callies have copped the honors for the season. There will be a meeting of the Association tomorrow night to deal with the situation.

With the Callies sweeping everything before them in the football line this year, interest in the soccer league fixtures is now starting to concentrate more on the doings of the two other teams in the league—the Sons of England and Cold Storage. The former are in second place and the latter in third.

There is too much outspoken comment by fans in the bleachers as to the decisions of the referees and umpires in the various matches at Acropolis Hill this year. Visitors at some of our games have remarked more than once upon the rather severe utterances which do not improve the principles of sport. Differences of opinion are bound to exist, but the sporting spirit is cheapened by unkindly references to the officials who have the game in hand. Many a good team has lost possibly through the poor judgment of an official, but such injustices cannot be remedied by thoughtless and bitter references from the grand stand. Sport in Prince Rupert needs all the assistance and good wishes of clean, honest sportsmen, and those not so inclined should be given little show either by fans or players.

BASEBALL GAME WAS SPLENDID

Sons of Canada Beat Sawmill Yesterday by Score of Two to One

The best of several good league baseball games that have been played so far this season was that yesterday afternoon between the Sawmill and Sons of Canada in which the latter were victorious by a score of 2 to 1. It was a pitchers' battle, both Lidstone and Schenkler being in fine form. Fielding errors only were responsible for the runs that were made and, if the fields had given the hurlers the support that they deserved, the game might have been going yet. The Sons having scored one in the first inning and the Sawmill one in the fifth, the score was tied at the end of the seventh and in the extra eighth, the Canucks got the winning tally across the home plate. Lidstone had 14 strike-outs to his credit but his team made seven errors. Schlenker turned in ten strike-outs for the Sons of Canada while the team made four errors. Each side made four hits.

There was a very fair crowd of spectators.
