BRINGING UP FATHER

By George McManus

MAYOR'S EXPENSES TO EDMONTON ARE VOTED BY COUNCIL

Before the council adjourned last night, Ald. Larson said that the mayor had not put in any expense account in connection with his trip to the conference to Edmonton and he would move that the mayor be reimbursed to the extent of $100. In speaking to the motion, Ald. Larson said that it would seem cheap business for the city to allow the mayor to pay his own way. Ald. Perry seconded the motion.

Alderman Stephens said that he would not offer any serious objection to the motion but he did feel that matters of this kind should be settled by the council in advance and not after the expense had been incurred.

The mayor said that he had felt that the city should be represented and he had also felt that the city could not afford the expense and he therefore went on his own and paid his own way. The motion was then passed.

HAZELTON MAN IS VISITOR TO CITY

Sydney Browning Speaks on Local Transportation Matters—Better Rates Should Be Given

Sydney Browning, in charge of the Indian school at New Hazelton and who has been teaching in the north for the past twelve years, has arrived in the city on a short holiday to renew old acquaintances.

Mr. Browning, who takes a great interest in trasportation problems, thinks that the railway fares from points in the interior are not based sufficiently low to encourage travel and says that in the old G.T.P. days the round fare from Hazelton to Prince Rupert was $12.10 whereas now it is $13.20. It is his opinion, if the local fares were reduced to encourage travel, that people in the interior would travel more often to the coast and between intermediate points and thus enhance the earnings of the railway between here and Prince George.

Mr. Browning also sees a great future for the city from a grain carrying standpoint with the completion of the new elevator and phophesies that if the grain business is handled right that large shippers of wheat will become interested in the port.

With Babe Fortin signed on by the Gyro Club, there promises to be revived interest in the doings of that aggregation in the Senior Baseball League. Babe, a well known pioneer southpaw who returned to town last week from Stewart, is at present suffering with a bad hand and will not be lined up with the Gyros in their game tonight but it is announced that he will take the mound on Friday night against the Sons of Canada. The Gyros, since the first of the season have been weak in the pitching department but strong elsewhere, and it is now hoped that they are up to the strength that will mean victories for them on the percentage list.

During the past year or so, there has been distinct signs of a healthy growth in trap-shooting organizations throughout the country. In the Mid-West the various zone shoots have been very successful while, in the East inter-club shoots have had a great increase in the number of contestants. The tournaments held during the Canadian National Exhibition, at Toronto, attracted shooters from distant parts of Canada, and greatly increased general interest in the sport. This has been due to a large extent, to the enthusiasm aroused by the performances of the Canadian Olympic team. The scores made by the various members of this organization attracted much attention from the trap-shooting fraternity throughout the world.

S. G. Vance, captain of the team, shot a total of 795 clay birds in competitions in Britain and broke 781, or 98.2 per cent. J. Montgomery shot at 815 and broke 96.9 per cent, while G. Beattie of Hamilton, shot at 815 and broke 795 or 97 per cent. The other members of the team made scores very slightly below these. In the Olympic shoot the Canadian Team took second place with a score only three points behind the winning team. In the International Championship Shoot, held in England, a team composed of W. Barnes, R. S. Montgomery, G. Beattie, J. H. Black, and S. G. Vance won the British Challenge Shield with a perfect score. This score has never been equalled since these competitions were first started in 1895.

Editor, Daily News.

I was surprised to see from tonight's paper that the G.W.V.A. football team has withdrawn from the Prince Rupert Football League.

Surely there must be some good reason for their taking this step, as I considered their team as one of the best in the city.

I feel sure that the followers of football would like to know the reason for their withdrawing from the league.
