British Soccer Season Opens
Saturday Next When Scottish Teams Break Into Game Again

Last Season Was Failure From Financial Point of View, but Tottenham Hotspurs Made Profit of \$380,000

LONDON, Eng., Aug. 11.—(Canadian Press).— Though the cricket season is still at its full height, there are certain and inevitable indications that it is shortly to give way to what— to the average British Islander—is the King of all sports, "Soccer" football.

Already the missionaries who have been carrying the game to the distant parts of the earth are being called in; clubs that have sent their elevens on jaunts over the continent are now summoning them home; teams are being carefully gone over, the weaker brethren are being weeded out, new material is being tested, transfers have been effected, and the 88 aggregations that form the three leagues in England are shaking themselves out preparatory to the opening of the 1925-1926 season, on August 29.

Scotland, to whose sportsman cricket means next to nothing, will as usual break into the season a couple of weeks ahead of the "Sassenachs," the soccer year opening on August 15, next Saturday.

From the point of view of club managers and other dignitaries whose business is to deal in the financial affairs of the teams, the last season was rather a failure. While a number of clubs came out on the right side of the ledger, there were many others who will approach this season with a deficit that will have to be wiped out. The most fortunate of the former, perhaps, was Tottenham Hotspurs, by far the richest club in England. Their books at the annual meeting showed the "Spurs" to have a clear profit of no less than \$380,000. On the other hand there are organizations that have had to resort to appeals for funds—Grimsby Town is a case in point. The fishermen ended last season with a deficit of over \$45,000.

The Teams
It is only natural that special interest will centre upon Huddersfield Town in the First Division of the English League, and speculation is rife as to whether they will make their championship title good for a third year in succession. It is noted that the "Town" have obtained the services of 20-year old Jackson, the Aberdeen outside right, who figured in all the Scottish International contests last season.

West Bromwich will have their enthusiasts who are certain to predict that the championship which they nearly gained last season will surely come to them at the conclusion of this. The Albion rose spectacularly towards the latter end of the season, and with a little more stability might have conquered.

Leicester City and Manchester United will be closely watched since this season will witness their re-appearance in Senior company. Leicester established a great reputation for goal-getting and should they field approximately the same eleven they will have an excellent chance. At least this is what their followers say. Leicester's most spectacular performance last season was their knocking out of Newcastle United in the English Cup tournament.

At the same time a great deal of sympathy will be extended to Preston North End who will appear in the second string in company with Nottingham Forest. The two teams failed miserably last year and deserved relegation, but there is always the after thought that a club that drops from the first to the second rank is one that should be commiserated with and not condemned.

In exactly the same fix are

for at least a good number of the runs tallied by the Sons. The Gyros think they have a tighter field than the lumbermen showed in that game and are not at all daunted by the Canucks. A rattling good game is being promised and there will undoubtedly be a good crowd of fans out to see how things turn out.

Considerable has been said for and against the "lively ball" which is in use this year in the American and National leagues. Manager McGraw thinks its use will in time hurt baseball although at a certain meeting of the National League it was decided to continue to use it. Professor Harold A. Fales, of the Chemistry Division of Columbia University, says that after careful comparison he was not able to detect any difference in the makeup of the balls now used and those in use in 1924 and 1920. However according to statistics recently compiled from the National and American Leagues combined the total number of home runs scored so far this year is 50 per cent greater than in 1924 or 1923.

ENGLISHMEN WIN OPENER

Gold Storage Beaten in First Gilhuly Cup Game — E. Bye Broke His Leg

The Sons of England defeated the Canadian Fish & Cold Storage Co. by a score of 2 to 1 in the opening game of the Gilhuly Cup series last evening. It was a very fair game though not brilliant and the Gold Storage was perhaps entitled to a draw out of it, the play being quite even.

The game was marked by the first serious accident of the season when E. Bye, outside left for the Gold Storage, half way through the second half, collided with the goalkeeper. His leg was broken and he was removed to the hospital. Fortunately the association is in a good position to meet the expense, having a substantial balance on hand from the Stuart Benefit Shield series which was played earlier in the season.

The Gold Storage team started the game with the grade and sun in its favor but the only score in the first half was made by the "Sons of England" when H. Hansen took advantage of a rebound after Johnson's shot had been guarded off by the Gold Storage goal keeper.

After the teams had crossed over for the second half, Elder scored for the Gold Storage from a rebound after Macdonald's shot had hit the crossbar. The winning score was made for the Sons when Kelsey tallied off a penalty against Dave Jack.

G. S. Russell was referee, H. Worsfold and A. Clapperton were linesmen and the teams took the field as follows:

Sons of England—A. W. Howlett; G. Howe and G. Kelsey; P. Cameron, A. Bales and G. Anderson; F. Hodgkinson, H. Hansen; J. Johnson, A. Dickens and J. Farquhar.

Cold Storage — A. Murray; C. Whatman and D. Jack; J. Corbett, A. Macdonald and H. Carlsson; F. Hardy, A. Harvey, C. Norrington, F. Elder and E. Bye.

SUM OF \$2,317 IS DEMANDED OF CITY

This Balance is Owing M. R. McLeod Under Contract, Lawyers Advise Council

With Babe Fortin on the mound for the Gyro Club in the league baseball game with the Sons of Canada tonight, renewed interest will be taken in the efforts of the service club to raise themselves from their present unfavorable position on the standing sheet. The Sawmill got a rather severe walloping at the hands of the Canucks in the game on Sunday but the boys from Seal Cove made a lot of untimely errors which accounted
