R. E. Benson Lets Members of Government and Others Have Local Picture

A fine photograph of the Prince Rupert elevator has been taken by R. E. Benson and prints have been sent to all the members of the Mackenzie King cabinet and to other prominent members of the House on either side, including prominent Conservatives and Progressives to the number of about twenty. The picture is a good advertisement for the elevator and port. The following letter accompanies the gift in each case:

"I am forwarding you a photograph of the Government Grain Elevator which has just been completed at this port, and which will be handed over to the government by the contractors during the coming week.

"It is now ready to receive grain and has a storage capacity of 1,250,000 bushels, including workhouse capacity, and is the most modern plant on the Pacific coast.

"This photo is forwarded to you in an endeavor to bring before you more realistically the fact that the Port of Prince Rupert is now in a position to handle and compete in at least part of the wheat crop traffic of the Canadian West.

"Another fact I wish to impress upon you, and which is borne out by this photo, is that the harbor is open every month in the year, ice never appearing in these waters.

"There is ample yardage room as is also known by this photograph. Along with this and the easy access to the harbor; the recent reduction by Lloyd's of the insurance rates on shipping to this port, and the shorter route by 500 miles to the Orient, puts this port in an enviable position to handle grain.

"The terminal railway freight rate on grain is the same as that to other Pacific ports.

"Trusting you will use your influence in assisting us to at least secure a fair share of the grain traffic, which the people of the north will greatly appreciate."

MUSICAL AFTERNOON AT TERRACE SCHOOL

Silver Collection Taken at Door for Piano Fund

TERRACE, Feb. 22. — The musical afternoon staged by the school pupils on Friday afternoon in the public school building was a great success. There was quite a large gathering of parents and interested friends who were delighted with the lengthy and varied musical program rendered. It gave a number of the parents an opportunity to hear the new piano for the first time, as well as to visit the different class rooms. The primary room, in particular, attracted much attention and admiration.

A silver collection taken at the door swelled the piano fund to the extent of a little over eleven dollars.

TERRACE NOTES

Mrs. Wm. Burnett spent Friday and Saturday with friends in Copper City.

Mrs. A. Y. Wilson, of Remo, spent the week-end in town and took in the musical afternoon at the shool-house on Friday.

A daughter was born on Friday, February 19, to Mr. and Mrs. P. Ardagh, in Mexico. Mrs Ardagh was Miss Eric Richmond, daughter of Mr. and Mrs. James Richmond of Terrace.

C. H. Nelson of Edmonton, representative of the International Bible Students Association, is at present in this district on official business.

Mrs. Wm. Attwood was hostess to about fifteen young girls at her home across the river on Saturday afternoon, February 20, when she entertained in honor of her daughter Marjorie's thirteenth birthday. The afternoon was pleasantly spent in games and music after which the girls thoroughly enjoyed the delicious refreshments served by the hostess.

Mrs. H. L. Frank and daughters Mildred, Dorothy, and Mrs. E. T. Brooks, arrived home Saturday night after having spent a short holiday in Prince Rupert.

R. L. McIntosh of Prince Rupert was a visitor in Terrace over the week end.

MISS MERNA KENNEDY TO PLAY WITH CHAPLIN

New Lady Comes From Vaudeville and Musical Comedy to Pictures

HOLLYWOOD, Feb. 22.—Miss Merna Kennedy is to be Charlie Chaplin's new lady in "The Circus," the comedy which he is making. She is a Chicago girl of Irish descent, auburn hair, tomboy type, weighs 100 pounds and is very vivacious. She is a dancer of note and has played on the Orpheum circuit as well as in musical comedy. This is her first appearance in pictures.

SPORT CHAT

Events for the week are scheduled as follows:

Monday (tonight) — Cribbage League: K. of C. vs. C. N. Operating; Cold Storage vs Dry Dock; St Andrew's vs. S. of C.; Moose vs. L. O. L.; Prince Rupert Hotel vs. G.W.V.A.; C. N. Mechanical vs Elks.

Tuesday—First division billiards (final)—Great War Veterans vs. Prince Rupert Billiard Parlor.

Thursday.—Second Division Billiards: P.R. Fish Co. vs. Grotto.

Men's Whist: Oddfellows vs Sons of Canada; K. of P. vs. G.W.V.A.; St. Andrew's vs Sons of England; K. of C. vs Moose.

Friday.—Basketball, Prince Rupert High School vs. Anyox High School.

Saturday—Basketball, Prince Rupert High School vs. Anyox High School.

The outstanding sport event of the coming week will of course be the basketball games on Friday and Saturday nights between teams representing the Prince Rupert and Anyox High Schools. It will be the first and perhaps the only occasion that local fans this season will have been able to witness some real live play and no doubt there will be large crowds in attendance. The Anyox boys' and girls' teams, returning a visit that was paid them before Christmas by the local players, will arrive from the smelter town on the Prince Rupert Friday morning and will return north on the Camosun Sunday night. Mr. and Mrs. James R. Mitchell, formerly of this city, will be in charge of the visiting party.

The billiard league season, which has been going on all winter and has been attracting a good deal of interest, will come to a close this week both in the first and second divisions. The last first division tournament between the Great War Veterans and the Prince Rupert Billiard Parlor will take place tomorrow evening. The Vets are 98 points to the good over the Billiard Parlor in the aggregate standing but the latter team has a good deal of confidence that it will be able to overcome this so a good interesting tournment should ensue. On Thursday evening, the Grotto and Prince Rupert Fish Co. will meet in the second division final. The result will likely make no difference as the general standing of the teams is concerned. The Prince Rupert Billiard Parlor is away with the season's honors although it was given a good chase by the team representing the Canadian Fish & Cold Storage Co.
