"When Winter Comes,"

In winter, Lifebuoy, the all-year-round soap for hands and face, bath and shampoo, is especially good because:

It does not remove those natural oils which are necessary to skin health.

Its mild, creamy, antiseptic lather goes deep into the pores, cleansing and purifying.

It rids the hands and face of cold germs which, getting into the nose and mouth, would cause colds—real protection against winter's worst ills.

Lifebuoy, the ultra-refined, world's most widely used soap, is an inexpensive protective necessity.

Lifebuoy's cleanly health odour quickly vanishes—the protection remains.
