SOLID 18K GOLD

Some wedding rings are made by melting the gold into a mould. These are apt to have bubbles and be somewhat soft.

Others are made by bending a strip of gold and joining the ends.

We sell the seamless kind, hammered from one solid piece of gold. These are firm and hard and will wear much longer.

Prices from $6.50 to $15.00.

PRINCE GEORGE

At a meeting of the school board recently Miss Julie Izowsky was appointed to fill the vacancy on the teaching staff of the public school occasioned by the resignation of Miss B. Robinson. Miss Izowsky was engaged during the past year in teaching the ungraded school at Tabor Creek.

FIRST ANNIVERSARY OF C.N. BROADCASTING STATION, VANCOUVER

Three Thousand Telegrams of Congratulations Received Last Night.

VANCOUVER, Aug. 11. — Fittingly celebrating its first birthday, C.N.R.V., the Canadian National broadcasting station, was last evening the recipient of more than 3,000 telegrams from listeners scattered from Alaska to San Diego, reaching far into the middle states as well as the three prairie provinces of the Dominion. So numerous were the congratulations that the prize drawing scheduled to take place was postponed till Friday evening, when winners will be announced from the station.

During the course of a program composed of the favorite artists who contributed their services since the inception of the station and which lasted till 2 a.m., A. R. McEwan, director of radio for the Canadian National Railways, gave a short address on the future of radio as a means of publicity, during which he said: "We have been proud of C.N.R.V., proud because it has earned an enviable record among owners of receiving sets, not only in British Columbia and elsewhere in Canada, but far beyond the boundaries of Canada into the United States and the isles of the Pacific. We had faith in the capabilities of the station but it is necessary to have more than faith. You must have good work."

MILK FROM PRIZE HERDS

Pacific Milk yesterday received a letter from Mrs. Andrews, of Seattle, who is visiting friends in Nanaimo.

She likes Pacific Milk and wants to know what gives it such richness and fine flavor. This good milk comes from prize herds. To these and to the pasture lands of Fraser Valley, our rare climate and careful handling must go the credit for the richness and natural flavor.
