TERMNIALS WON FOOTBALL GAME

Defeated Moose 4 to 1 in City Championship Match Last Evening

Glorious weather prevailed for the Mobley Cup City Championship football game between the Grand Terminal Club and the Moose, which was played last evening before a large crowd of spectators. This was the third game of the series and, the Moose were eager to register their first win but they were defeated 4 to 1.

The Terminals won the toss and elected to kick uphill. After 10 minutes play, the Moose were awarded a penalty, but Sam Currie shot straight at the goal keeper who cleared. Play was transferred to the other end and, after some good combination, the Terminals scored from a scramble in front of goal. Shortly after, a faulty clearance by Gurvich enabled Wilson to equalize for the Moose. For a time, play was of a scrappy nature, with the Moose having slightly the better of the argument. The Terminals however, took full advantage of a miskick by Skinner, who was poorly covered, and Dickens gave the Terminals the lead with a shot which gave Campbell no chance. The score at half time was: Terminals 2, Moose 1.

Second Half

Play was fast and interesting on resuming although both sides kept the ball in the air far too much. Dickens had bad luck with a splendid shot from 30 yards out which struck the bar with Campbell well beaten. Terminals continued to have the better of the play and a splendid clearance by H. Menzies resulted in Dickens scoring a third goal for them, although it appeared that both he and De Jong were off side. Five minutes later, from a free kick well placed by Paddy O'Donnell, W. Mitchell had real hard luck with a fine overhead kick. The Moose made a splendid rally after this and much good work was spoiled by wretched shooting. Two particularly good opportunities went begging. Terminals pressed again and O'Donnell, after some clever work, sent out to Farquhar, who put in a perfect centre from which Dickens scored the Terminals fourth goal. This player missed a fine chance to score immediately after, completely missing the ball on the goal line.

Sporting Spirit

Dickens clever play was a feature of a well contested game fought in a sporting spirit. Terminals were good value for their four to one win.

The standing of the teams is as follows:

	W.	L.	Pts.
Terminals	2	0	4
Cold Storage	1	1	2
Moose	0	2	0

BASEBALL TEAM RETURNS HOME

Lost Three Games, But Came Close to Winning Third of Series.

The Prince Rupert baseball team returned to town at 5 o'clock last night on the power boat P. R. T. from Ketchikan where it was defeated in the three games of the Fourth of July series, although it came very close to winning the third.

The first game on Sunday resulted in a score of 7 to 5. Prince Rupert was loaned the Mitchell brothers battery for the occasion and was leading part of the game.

The second game on Monday, with Schenkler and Balfour comprising the Prince Rupert battery, resulted in a 13 to 1 score.

The third game, also on Monday, ended in a 5-4 score. With Lambie in the box for Prince Rupert, the locals were ahead 4-0 and it looked as if the game was on ice until the field went to pieces in the fifth inning and the Ketchikanites wrested victory from a seeming rout.

As was the case in the series here last week, fielding errors lost the game for the locals. The Ketchikan team was air tight on the field while Prince Rupert was weak. The first two games were to nine innings and the third to seven.

All the players, together with Harry Love and George R. Tite, returned to town last evening. They had a rainy eleven hour trip north on Saturday night, but the return was made in twelve hours under ideal weather conditions. Charles Folsom and Dick Greenwell, who also made the trip, will be back on the Princess Alice this afternoon on which vessel will also return James and Alex. Mitchell and the High School drill trim which gave an exhibition in Ketchikan streets on Monday night.

SPORT CHAT

Stewart had the best celebration in its history on Dominion Day this year. At 6 o'clock in the morning, the town was awakened with a salute of 21 dynamite explosions and there was something doing all day long from that time until the band concert in the evening by the Kincolith band. After the parade in the morning in which there were number of floats, the field sports commenced. A tug of war was won by the crew of the steamer Mogul from teams representing the Premier Tran. Dunwell mine and United Services Club. Tommy Whiteley's "Flossie" won the horse race with T. W. McDonald's "Paddy O'Dowd" second. Hyder defeated Stewart by 23 to 15 in a baseball game.

In The Letter Box

FOOTBALL.

Editor, Daily News.

In the interest of sport I would like to give publicity to the following occurrence at last night's football game:

In the first half, Spiro Gurvich wore an eye shade in goal. On the change over I asked him for it and put it on. A few minutes after play resumed, the referee, Mr. Krause, said to me—"take it off." I called his attention to the fact that Gurvich had worn it in the goal. He said "Take it off or get off the field." What is a referee—an impartial official who can not be questioned?

POLITICAL NEWS.

Editor, Daily News.

Judging from your editorial I suppose we are to be treated to the usual electioneering tirades and boosts and reports of speeches and political editorials that make newspapers unbearable. This may be very interesting to those who have lived in Canada a long time and are citizens of the country and understand the politics but I am an American and do not care a hoot about MacKenzie King or Arthur Meighen or any of the other little two by twice politicians at Ottawa. There are a lot of us do not want to read Canadian politics all the time so can't you, sir, give us some old world news and local happenings and let the politicians fight their own petty battles.

I know editors have to write about politics some of the time but we don't want it every day all over the paper. I hope you will be sensible and let Ottawa alone as much as possible and now and then give us a little news about Washington and Seattle and some of the American cities and politics.

Excuse my making suggestions but there are a lot of us Americans here and we ought to be considered in the newspapers, even if we are aliens.

UNITED STATES.

(The best thing "United States" can do is to join Canada. Become a citizen, my friend, and then read Canadian political news.—Editor.)

MUCH FISH CAUGHT LESSER SLAVE LAKE

EDMONTON, July 7. — Lesser Slave Lake has been a prolific source of revenue for Alberta fishermen this season.

During the spring fishing season, lasting from May 16 to June 25, inclusive, 134,760 pounds of whitefish were taken out, as well as 306,092 pounds of pickerel; 165,175 pounds of jack fish; 12,000 pounds of tullibee, and 600 pounds of perch. One thousand pounds of ling were destroyed.

Last year there was a greater supply of whitefish taken out but this year the fisherman have particularly sought more pickerel as the whitefish are more desired in the fall season. Last year 242,000 pounds of pickerel were taken out and 100,000 pounds of jackfish.
