

## WORK OF SYNOD IS COMPLETED

Expression of Confidence Passed  
In Administration of Diocese  
by Archdeacon Rix

Appreciation of the work of Archdeacon Rix as administrator of the diocese of Caledonia and an expression of confidence in him was passed by standing vote of the synod yesterday before adjournment was taken.

The Archdeacon was empowered to send a representative east to gather funds for the endowment in order that a bishop may be appointed. Rev. E. Hodson of Ocean Falls will be released for a lengthy period from his charge at Ocean Falls in order to undertake the work. It is understood that Rev. Mr. Robinson will come from England to take his place while he is away.

The Synod expressed thanks to the press, to Rev. Mr. Hodson for his sermon and to Rev. Mr. Ashley for his work as clerical secretary. Thanks were also extended to Prince Rupert people for their hospitality during the Synod. Miss Davis and Miss West were also officially thanked for their work in connection with the Ridley Home.

A resolution of regret was passed at the loss sustained in the diocese by the death of the late Archbishop Du Vernet. Sympathy was also extended to Mrs. McCoskrin on the death of her husband.

The question of the appointment of a Bishop will be taken up at the Provincial Synod on the return of Archbishop De Pencier from England, and the matter will be fully decided at the meeting of the general board of the Missionary Society of the Church in Canada.

At the conclusion of the gathering members of the synod were entertained at a buffet lunch by Archdeacon and Mrs. Rix.

## FOURTH FOOTBALL GAME OF SERIES GOES TERMINALS

**Stuart Shield Annexed by New  
Club Result of Match With  
Moose**

The fourth game of the Stuart Shield football series between the Grand Terminal Club and the Moose was witnessed by a poor crowd of spectators, due to the dismal weather prevailing. The Terminals had the good fortune to go on the field with the series practically cinched, as both the Gold Storage and their present opponents had already tasted defeat at their hands and only one point was needed to annex the Shield for the present season.

Sam Currie won the toss for the Moose and elected to kick down hill. It was obvious from the start that the Moose were a much improved team, and their opponents were panned in their own half for a considerable period. Howe, in the Terminals goal dealt successfully with numerous shots. He was a trifle lucky in getting to a brilliant header from Max, and this player shortly after headed through from another corner.

Almost immediately after the kick-off the Terminals equalized through W. Mitchell. After a period of midfield play, Walters gave Terminals the lead from a breakaway. The score stood at 2-1 in their favor at the interval, when the Moose were decidedly unlucky to be in arrears.

On the resumption the Terminals immediately attacked, and Wiper scored after some pretty work by De John. After a spell of even play Wiper put the Terminals further ahead with a nice cross shot. This ended the scoring. Terminals running out winners by four goal to one.

The Moose were by no means beaten on the run of the play, but the opportunities of the Terminals proved to be the deciding factor. Rain fell almost throughout the match.
