Here and There

The financial statement of the Canadian Pacific Railway issued at Montreal for the seven months of 1926 ending July 31st, shows the large increase in the net profits of \$6,691,301.52 over the net profits for the first seven months of 1925. The gross earnings were \$101,826,207.11, as compared with \$95,343,867.75 for the first seven months of 1925.

Unofficial estimates prepared by the authorities of the Department of Commerce, Washington, estimated that Americans visiting Canada this year would spend approximately \$190,000,000. This estimate was intimated to be very conservative and that it was more than likely that the amount would exceed the \$200,000,000 mark.

Announcement was made recently over the signature of E. N. Todd, freight traffic manager, Canadian Pacific Railway, of the appointment of D. A. It is understood that purchases in Canada of 5,000 railway cars may result from the visit of the engineering expert, Mr. Vandergulcht, and the Transport Commissariat's representative, Mr. Baronsky, who have been delegated by the Soviet Republic to investigate the possibility of securing this number in Canada. They have also been instructed to make a study of the organization of the Canadian railway shops and the repair methods in general.

Three wolf cubs were caught recently near Lake Douville in Northern Ontario by Arthur Beauvais, well-known driver of the Chateau Frontenac dog team at Quebec, and will be trained by Beauvais for the harness. He is confident that by mingling the wolves with huskie puppies for several months they will lose some of their wolfish nature and make an attractive addition to the Chateau team. Beauvais states that, while wolves have endurance, they have not the "heart" of a huskie dog.

Two world's swimming records were established at the Crystal Gardens swimming pool at Victoria recently, when Ethel McGarry, of New York, swam 830 yards in 12 minutes and 41 seconds, or nine seconds better than the previous woman's record for this event; and when Agnes Gerahy, also of New York, clipped five and two-fifths seconds off the previous record for 200 yards, by completing the distance in three minutes and 12 and three-fifths seconds.

Celebrating the change in name of the historic Dominion Express Company to that of the Canadian Pacific Express Company, a street parade in Montreal was held September first, the day of the change in name, consisting of every description of Express vehicle, new and old. Sam Nightingale, a driver of 30 years' service, headed the parade seated in a wagon of 1800 vintage, and hauled by "Babe," a horse that has been in constant service with the Company for 19 years. Similar parades were held at Toronto, Winnipeg and Vancouver.
