> Director Luther Reed was making scenes along Riverside Drive and needed a sailor to make the atmosphere correct. He took a "movie" sailor along with makeup on his face and rouge on his lips. Parked on a bench waiting his call for the camera, he was spied by two real sailors. They stopped, looked intently at the actor sailor, laughed and cast remarks. Being quite husky, the 'movie" gob had just taken a swing at police dispersed a gathering crowd.

Hundreds of umbrellas appear on the streets as if by magic, when it rains, but the source is no mystery. With The weekly meetings of the Literary his wares under his arm, the umbrella and Debating Society of the High School merchant goes slipping along the street at the first signs of a downpour, res-The Senior Society listened to three cuing stranded wayfarers from packed shield.

> Another thing that New York women are "going in for" is the "cauliflower industry." Those so engaged are not to be seen in floppy straw hats in backyard gardens, but in the more elaborate and less rustic New Madison Square Garden, where the new crop of "heavies" and other classes of prize fighters are to be seen. Garden officials attribute the increased attendance of women to the bettered conditions under which fights are now staged.

While Queen Marie was a guest of the city it was not unusual to see traffic halted when automobiles of her party raced down a thoroughfare. Cartoonists now credit traffic policeme do you think you are, the queen Rumania?" to drivers who disregard signals.

walking sticks. He said he preferred leaning on a cane to hanging from strap. However, the straps still bear the brunt of the traffic.

The Grove that gave Grove street in 10, 1926. Greenwich village its name has disappeared. Originally a group of trees. the ravages of time reduced them gradually in numbers until in the last year only one tree remained. A recent storm swept that away and now the grove is only another village memory.
