APPRECIATION VOICED OF LATE F. H. WORLOCK

(Victoria Colonist)

Deep sympathy will be expressed to the widow and children of the late F. H. Worlock, who has just passed away. Much of the latter half of his lifetime had been spent in Victoria and he had won here many friends and admiration for characteristics that were both substantial and endearing. Mr. Worlock had an innate faculty of courtesy. He would never willingly hurt the feelings of anyone, and, in the art of good fellowship he was to the manner born. His identification with the business life of the province was a prolonged one. Up to the time of his fatal illness he was a well-known figure in the community, one whom all who knew respected and he had earned the distinction of being numbered on the declining roll of old-timers.

It's all right for carpenters to knock. Other people can't afford to do it.

Brady is all right, but think of the company he would have to keep if anything should slip and he be sent to Ottawa.

A little local girl upon hearing her mother say how seasick she had been coming up the coast said: "You weren't seasick mother 'cos you wasn't nearly dead."

It would seem that the lack of knowledge of some politicians is due to mental weakness. This would seem to apply particularly in the district of Edmonton Conservative circles.

Does anyone ever remember seeing a man named A. U. G. Bury in this district?

LEAGUE FOOTBALL GAME LAST NIGHT

Y-Macs Defeated Naval Volunteers Four Goals to Two Last Evening.

In an intermediate league football game last night the Y-Macs defeated the Royal Canadian Naval Volunteer Reserve by a score of 4 goals to 2 before a fair crowd of soccer fans. Generally speaking, it was a good game all the way through and exciting in spots. The naval boys were handicapped insofar as they were compelled to play three reserves in the team, three of the regular players being unable to attend for various reasons.

J. Bond and B. Strachan scored two goals each for the Y-Macs and Chenoski and Sims for the navy, the latter scoring from a corner kick.

C. P. O. Instructor Daves handled the whistle efficiently.

The teams took the field as follows:

Y-Macs: Backer, goal; Cameron and Reid, full backs; A. Strachan, Phillips and Heilbronner, half backs; Hunt, Bond, J. Strachan, Dickens and H. Gauthorn, forwards.

R. C. N. V. R.—Richmond, goal; R. Moore and G. Shenton, full backs; Gamm, Peacock and Fitzgerald, half backs; G. Dyer, Byrne, Chenoski, Wyman and Sims, forwards.

he sent Avalanche to the post in the Fulbourne Stakes at Newmarket. This filly was by no means one of the favorites. Her trainer, the Hon. George Lambton, was greatly surprised when she got home in front of D. Landale Wilson's Flashing Star by a neck. Avalanche is finely bred, her sire being Phalaris and her dam that highly successful mare, Glacier, the mother of Silurian, Cravasse, Glacier and other noted performers. Thus it can be said of Avalanche that she is bred in the purple, and it is curious that she had not shown a glimpse of her merit before the running of the Fulbourne Stakes.

SPORT CHAT

A recent report of the secretary of the B.C. Fish and Game Protective Association states that the clubs at Cumberland, Nelson, Clinton and Revelstoke have affiliated with the provincial organization, and that several others have intimated their intention of doing so. This makes fourteen in all.

Relative to the Game Conservation Board's recent action in favor of a wide open season on black bear, all affiliated clubs have protested against any shortening of the close season, and many have asked for shorter seasons. They also wish protection of females when with cubs, and of the cubs themselves.

According to a statement made by Vice-Commodore Gerald Ford, preparations are already under way for another international race for the Fishermen's Gap, which brings together the crack schooners of the Gloucester, Mass., and Halifax fleets. The fishermen have not raced since October, 1924, when the contest was held off Halifax and wound up so satisfactorily.
