Solid 18K Gold

Some wedding rings are made by melting the gold into a mould. These are apt to have bubbles and be porous.

Some are made by bending a strip and joining the ends. We sell the seamless kind, hammered from one solid piece of gold. These are firmer and will wear much longer than the soft gold.

Sold by weight, $6.50 to $12.00.

Get a good ring!

BRINGING UP FATHER

By George McManus

BUSY SEASON ANTICIPATED

Preparatory Work Going on For Various Industries on Queen Charlotte Islands

Preparatory work now under way indicates that the coming season will be one of considerable activity in the lumbering and fishing industries on the Queen Charlotte Islands.

The F. L. Buckley mill at Port Clements is still undergoing renovation work and it is stated that the plant will be ready for operation in six weeks' or two months' time. The Prince John, on this trip north, brought another shipment of machinery for the plant.

Eight Camps

The T. A. Kelly Logging Co. is now operating eight camps in the vicinity of Logan Inlet and further expansion is expected. T. A. Kelley, the head of the company, arrived at Logan Inlet from Vancouver on this trip of the Prince John. One of the British Pacific Transport Co.'s big log carrying barges is at present there loading a cargo for the south, Capt. W. Wingate being in charge.

The Sitka Spruce mill at Queen Charlotte City is operating steadily. The tramp steamer Pennyworth, after having loaded a million ft. of lumber at the plant, left last week for the Atlantic seaboard and another freighter is expected in the near future to take on a similar cargo.

The clam cannery at Massett is now in operation and a shipment will be made to Vancouver on the Prince John when she calls there on her way south early in the week. Later in the season, the Massett cannery will engage in salmon packing.

New Buildings

J. Steele, engineer for the B.C. Packers, arrived at Queen Charlotte City on this trip of the Prince John to make preparations for the construction of a dock and buildings which the B.C. Packers will erect in connection with the cannery it is proposed to establish in Skidegate Inlet.

The Prince John this trip also brought a large quantity of lumber to Jedway for reconstruction of the saltery dock there which collapsed into the bay last fall.

QUEEN CHARLOTTES

The new mast for the Dead Tree wireless station is now in use. It is in three sections and stands 225 feet high. The poles are of Sitka Spruce. The buildings in connection with the station have been thoroughly overhauled, the work having been done by W. H. McQueen of Victoria, making it one of finest wireless stations in B.C.

The Sitka Spruce Mills of Queen Charlotte City has received the contract to supply 250,000 feet of lumber for the B.C. Packers for their wharf and buildings between South Bay and Alliford Bay on Skidegate Inlet.

The Maritime Fisheries of Alliford Bay Cannery are commencing to get the cannery in shape. T. Alexander of Vancouver is in charge of the pile driver and construction work. The company is building a large addition to the cannery and is repairing the wharf.

People on the Queen Charlotte Islands are interested in the trial at San Francisco of Captain Robert Pamphlet, skipper of the Canadian schooner Pescawha which was captured by the American revenue department. Captain Bob was born in Victoria, his father being an old time sailing captain. Bob was an old timer at Prince Rupert and also on Queen Charlotte Islands. He has a number of friends at Skidegate Inlet.

Warning is given that it would not be wise for men to go to Queen Charlotte Islands looking for work unless hired before leaving.

Islanders are expressing the hope that so far as possible fishermen on Queen Charlotte Islands and Prince Rupert should be employed on the Islands this year.

Mrs. W. Rudge and daughter May of Sandspit have been visiting Mrs. E. C. Stevens at Skidegate.

Captain Mabbs of the Prince John was welcomed back to the Islands this trip, he being very popular on this run.

THREE TEAMS TIED FOR LEADERSHIP IN MEN'S WHIST LEAGUE

The St. Andrew's Society lost to the Knights of Pythias in last night's men's whist game while the Moose were successful in winning their game from the Sons of Canada. This means that the St. Andrew's, Moose and Knights of Pythias teams are all tied in first place with eleven victories each and the Elks are only one game behind. All these four teams are thus still in the running for the season's honors. The St. Andrew's and Elks have two more games to play and the Moose one more game, the Knights of Pythias having finished the schedule.

Games last night resulted as follows:

Sons of Canada, 4; Moose, 5.
Oddfellows, 5; Elks, 4.
Orange Lodge, 5; Great War Veterans, 4.
St. Andrew's, 4; Knights of Pythias, 5.

The league standing to date is as follows:

	W.	L.	Pts.
St. Andrew's	11	5	11
Moose	11	6	11
K. of P.	11	7	11
Elks	10	6	10
K. of C.	9	8	9
Oddfellows	9	8	9
S. of C.	7	11	7
S. of E.	6	11	6
L. O. L.	6	10	6
G. W. V. A.	4	12	4

AMATEUR BOXING ALBERTA PROVINCE

MEDICINE HAT, Alta., March 17.—The Alberta branch of the Amateur Athletic Union of Canada, is holding elimination bouts at Edmonton, Calgary, Lethbridge and Medicine Hat, preliminary to the amateur boxing championships of the province. The finals will be decided in Edmonton on March 29. In former years the finals have been staged in Calgary.

This sufferer literally covered with skin disease—15 years of suffering—then his whole body cleared off in 45 days—a new skin grown—no pain, no itching, no irritation.
This story seems incredible as do hundreds of other cases relieved by the powerful liquid for the treatment of skin diseases.
The first $1.00 bottle relieves you or your money back. Try D. D. D. soap, too,

SPORT CHAT

The closing games of the scheduled season in the ladies' section of the Fraternal Whist League will be played this evening as follows: Moose Ladies vs Orange Ladies and Pythian Sisters vs. Daughters of England. It may be, however, that some kind of a play-off will be required after these games to decide the champions as three of the teams, Orange Ladies, Moose Ladies and Daughters of England, are now tied for the honor, each having six victories to their credit and five losses against them. Of course, the matter would be decided tonight if the Pythian Sisters should beat the Daughters of England. That would give the championship to the winner in the Orange Ladies vs. Moose Ladies encounter. The situation in the ladies' section this winter has equalled in interest that in the men's section where, at this late date, the championship also remains unsettled.

Honors have come to William (Billy) Vickers Smitheringale, nephew of Mr. and Mrs. W. B. George, who spent the summer of 1921 in Stewart and pitched baseball for the team representing that town. Having graduated in science from the University of British Columbia, Smitheringale has just received the distinction of having a scholarship conferred upon him at the Massachusetts Institute of Technology where he is studying for his doctors' degree. He is a native son of British Columbia and for a time was a carrier for the Vancouver Province, later joining the circulation department of that paper. He is twenty-four years of age.

UNIVERSITY BOAT RACE SET FOR MARCH 27 AND OARSMEN ARE TRAINING

LONDON, March 19.—For the great aquatic event of the year, the Oxford and Cambridge boat race, to be rowed over the historic course Putney to Mortlake on March 27, the contesting eights are putting in some strenuous work.

So far as can be judged there is very little to choose between the two teams during their practise on still waters, Oxford on the Isis and Cambridge on the Cam.

The Oxford eight, with their heavier weight, however, are more evenly distributed in the shell. It will be one of the heaviest crews Oxford has put into the race. They are being coached by Campbell Douglas, while the light blues are in the hands of Captain Willis.

AMERICAN SPORTS FOR SOVIET RUSSIAN PEOPLE

BAKU, March 18.— American baseball, football and other games will be introduced in Russia for the first time at the approaching International Sporting Congress in Baku, in which Russia, Persia, Turkey, Afghanistan and China will participate.

There also will be many games characteristic of the East, such as sword-throwing, dagger-dancing, etc. It is also planned to establish the first chess tournament of the Eastern nations patterned after the recent international tournament held in Moscow.

Mr. and Mrs. J. Field Strang returned to Sunnyside Cannery from Vancouver aboard the steamer Catala this morning.
