TERRACE

Dr. H. C. Winch, M.I.A. was in town on Tuesday and Wednesday looking after his representative interests in the district.

A. S. Tordiffe, Cedarvale, was in town Tuesday and Wednesday.

Mr. and Mrs. C. A. Smith came up from Amesbury on Wednesday.

Miss Sibary and Miss Annie and Charley Walker of Copepr City were in town on Wednesday night for the Community Christmas Tree.

The entire public school staff left on Thursday for the coast on holiday bent. Mr. Spragg will spend his vacation with his family in Victoria. Miss Easthope and Miss Mallot at their homes in Chilliwack and Miss Peters with friends in Georgetown where she taught last year. Miss Sibary of Copper City also left on Thursday from Terrace for her home in Chilliwack.

A. Y. Wilson of Remo left on Thursday to spend Christmas with his daughter, Miss Mary Wilson in New Westminster.

Henry Sigouin is a patient in the hospital here having injured his knee while working in the woods.

After several days cold, stormy weather, a decided change was apparent here Wednesday evening and Thursday morning gave promise of sufficient snow to warrant people getting their sleighs in readiness for winter. The weather was much milder, calm and cloudy with some snow falling.

Jake Bonner, an old timer here, and brother of Mrs. Haudenschild, left on Thursday for Maryfield, Wash., where he intends to locate.

School classes were called for Thursday morning at 9.30 as usual when the class Christmas trees were dismantled and the children treated by their teachers to oranges and candy.

Mrs. Downing and daughter Ruby left on Thursday for Prince Rupert.

FIRE ON THIRD AVENUE

The fire department answered a call last evening at 10.30 to the candy store next to Joe Brown's taxi stand where, due to a defective chimney, the woodwork became ignited. The alarm was given by a Japanese woman living next door whose place became filled with smoke. The department soon had the blaze under control and the damage caused was not heavy.

Guests at the Rotary Club luncheon yesterday included Rev. Dr. Douglas, Graham Spry, Dr. L. W. Kergin, C. A. Kirkendall, Chas. E. Starr, Olof Hanson, Stan Taylor, Ald. Jos. Grear and T. Andrews.

COMMUNITY XMAS TREE AT TERRACE

Event Wednesday Night Was Largely Attended and Most Enjoyable

TERRACE, Dec. 17.—The G.W.V.A. Hall was never better filled than on Wednesday evening at the Terrace Community Christmas tree.

Owing to the school closing several days earlier so that the teachers might make boat connections for the south, the entertainment was earlier than usual, the teachers having the program in charge.

The program was of an entirely different nature to formerly and was very much enjoyed by the large crowd present. Instead of the usual individual selections the junior classes put on several group selections as follows:

Good-night Drill and Song by Division 4 Girls.

"The Gloomy, Gloomy Glooms," Action Song by boys of Division 3.

Christmas Bell Drill and Song—Division 3 girls.

"I Want My Ma," Action Song, by Division 4 boys.

This was followed by a play entitled "The Enchanted Xmas Tree" by a cast composed of boys and girls of Division 1 and 2 and was prepared under the direction of Miss Easthope and Mr. Spragg. It depicted the change in the hearts of a crabbed couple who professed to have no use for children or Christmas, but when a Christmas tree mysteriously appeared in the house and a troupe of children filed in and held trial by jury over their actions, their hearts were softened and their home was opened to the children.

The entire program was well prepared and rendered, and reflects much credit on both teachers and pupils.

Santa Claus, impersonated by Rev. A. W. Robinson, then appeared on the scene and assisted the committee in the distribution of sacks of candy, nuts, etc., after which the floor was cleared and the children danced until almost midnight. Mrs. Attwood and J. McLaren provided music.

A small amount of money is left as a result of the affair and this will be given to the children in the form of a more permanent gift—probably books for the school library.

Credenza \$385

It Leaped into Fame!

in just one day, through the magic of its own astonishing performance, and every day adds new Orthophonic Victrola music lovers

WHEN the sun set on that eventful evening of December second, 1925,—Victor Day,—over a year ago now, the Orthophonic Victrola stood acclaimed as one of the greatest single achievements in the history of music.

Thousands heard this new discovery in the form of the now famous Credenza, and approved instantly the long and arduous labors of the scientists who had brought this new marvel into the world. That approval continues, and is growing daily.

The music of great artists, of famous orchestras, of the almost endless and ever-growing host of Victor entertainers takes on a new significance when heard upon the

new Orthophonic Victrola. It satisfies completely the musical sense. It has ever-new surprises in store for you.

Command! . . . and it performs, beautifully, . . . untringly. Choose, . . . and it never disappoints your choice!

If you have not heard the Credenza model, do so today at any "His Master's Voice" dealer and order at once. Thus you will assure yourself these new delights in music more quickly. Production is still behind demand. An early order means early possession. Convenient terms make ownership easy.

Note:—The principle of "matched impedance" or "smooth flow of sound" employed in the Orthophonic Victrola is exclusively controlled by Victor.

Listen!

Have you heard about Peps? Peps is a scientific preparation put up in pastille form, which provides an entirely new and effective treatment for coughs, colds, chest and throat troubles. Peps contains certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapor, and are breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and carry relief and healing to the lungs.

While no liquid or solid can get to the lungs and air passages, these Peps fumes get there direct, and healing commences.
