GIVE *her* "TIME" *for a* Merrie Christmas

Give her more precious hours, saved from her never-ending battle of housecleaning! Give her a New Hoover—a shining, beautiful token of how much you really appreciate her plucky struggle with obsolete, inefficient tools.

For this New Hoover is the most desirable of gifts—through its perfected principle of "Positive Agitation," it will actually remove 131% more dirt from a rug, in the ordinary cleaning time than any former Hoover.

This Christmas, give her the electric cleaner chosen by nearly two million women . . . "Give Her a Hoover, and You Give Her the Best." It is truer now than ever before.
