VISITORS WON BOTH MATCHES

Anyox Girls and Boys Successful in Saturday Evening's Games

Both games Saturday night between basketball teams representing Anyox and Prince Rupert High Schools resulted in victory for the visitors. The Anyox girls won by 10 to 7 and the boys from the smelter town by 24 to 14. Both games were very interesting and were witnessed by good sized crowds.

The girls' game was the most exciting particularly toward the close. At the end of the first half Anyox was ahead 10 to 4 and the local girls picked up three points in the second half while the visitors made no score. Annie McLachlan of the Anyox team was ordered off the floor after having made four personal fouls.

The scoring was as follows:

Anyox—Jeanette Morley; Julia Calderone, 3; Annie McLachlan, 6; Thelma Deeth, 1; Margaret O'Neill; Bonnie Chapman.

Prince Rupert—Laura Frizzell, 1; Evelyn Dalby, 2; Vera Smith, 2; Helen Sim, 2; Ada Minzgohr; Julia Walters, Catherine Irvine.

Boys' Game

The boys' game was fairly fast although the visitors had things pretty well their own way, the locals seeming unable to locate the basket. Theodore Asimus of Anyox was put off the field for tripping at the beginning of the second half.

Anyox — Theodore Asimus, 1; Eddie Clay, John Lazorek, 1; Stuart McLachlan, 4; Ted Swanson, 14; Austin Lindgren, 4.

Prince Rupert—Bob Matheson, Alex Mitchell, 8; Perry Baisler, 4; Yoshi Katsuyama, Isa Katsuyama, 2; Clarence Thompson and Harry Walker.

Eddie Mann refereed and George Frizzell was timekeeper.

Between the games there was another excellent exhibition of physical drill by the girls of the Prince Rupert High School.

Following the games, the teams were entertained at a party by Mr. and Mrs. Max Heilbroner.

SPORT CHAT

Events for the week are scheduled as follows:

Monday (tonight) — Cribbage League: Cold Storage vs. C. N. Mechanical; Moose vs. Prince Rupert Hotel; C.N. Operating vs. Sons of Canada; Knights of Columbus vs. Royal Orange Lodge; St. Andrew's vs. Great War Veterans; Dry Dock vs. Elks.

Thursday—Men's Whist: Moose vs. Elks; Knights of Columbus vs. Sons of Canada: Knights of Pythias vs. Sons of England; Loyal Orange Lodge vs. St. Andrew's.

Friday.—Ladies' Whist: Moose Ladies vs. Pythian Sisters, Daughters of England vs. Orange Lodge.

Besides having given the hungry basketball fans of this city the only chance they had this winter of seeing the popular sport, a chance they took full advantage of in spite of the fact that they had to climb Acropolis Hill in the rain, the visit of the Anyox High School boys and girls teams to the city at the end of last week no doubt proved valuable and enjoyable to the young people on both sides themselves. It is good for neighboring towns to get together in this manner and especially so in the case of the boys and girls. The local basketballers who made the trip north before Christmas profited thereby both in spirit and mind. So, undoubtedly, did the Anyox youngsters in coming here last week. It is only unfortunate that, on the occasion of such excursions as this, more of the young people do not have the opportunity of making the trip.

The fire department responded to six calls during the month of February. None of the fires were serious and little damage was done as a result of them.

CORPORATION OF THE CITY OF PRINCE RUPERT.

TAKE NOTICE THAT:

1. The Council of the Corporation of the City of Prince Rupert intends to construct a pavement fifteen feet wide, consisting of a mattress of timber over which will be placed a paving giving a depth at the crown of ten inches composed of broken stone and sand, on that portion of Musgrave Place commencing from a point at the intersection of the north boundary of 6th Avenue and the centre line of Musgrave Place, thence along Musgrave Place as shown on the plans and profiles deposited in the Office of the City Engineer to the intersection of the south boundary of 5th Avenue and the centre line of Musgrave Place, as a local improvement, and intends to specially assess the cost upon the land abutting directly on the work, except such portion of the cost as is incurred at street intersections and at school property.

2. The estimated cost of the work is $1,420.00, of which $433.89 is to be paid by the Corporation, and the estimated annual special rate per foot frontage is 8.3270634. The special assessment is to be paid in 10 annual instalments.

3. Persons desiring to petition against undertaking the work must do so on or before the 3rd day of April, 1926.

BASKETBALL TEAMS VISITED ELEVATOR

Young People Were Shown Through Plant by Officials Yesterday

Sunday afternoon the visiting Anyox High School basball teams and the local teams, the party numbering about thirty, were taken through the new elevator by J. G. Glossop, superintendent; James Neville, foreman, and Thomas B. Black, head electrician. About two hours was spent at the plant and the visit proved very interesting to all the young people who then repaired to the Commodore Cafe for an ice cream party.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.

A shoe to fit the foot not the foot to fit the shoe

FOR how many years have people spoken of "breaking in" a pair of shoes, i.e. suffering tortures till the foot had, in time, shaped the shoes to fit the foot? But now Arch Defenders have banished all that and your foot glides into the shaped-to-nature insole of the shoe like a glove to the hand. Note also how different and shapely is the last upon which Arch Defenders are built compared with the old style.

In addition to the concealed Spring Steel Support and the special foot-form insole, the lasts upon which Arch Defenders are built, with their cupped heel and foot-contour sole, are so different from the flat shapeless lasts of ordinary shoes.
