WHY GO WATCHLESS?

In these days of exactitude it is just about impossible for a man to go without a watch.

Watches are so easily bought nowadays that no one need be without one.

For $15.00 we sell a guaranteed watch, 15 jewelled in a gold filled case.

Cheaper ones for those who want them and of course, many that cost more.

Glad to show you.

U.S. CONGRESS HAS MUSSOLINI PULLED PIECES IN DEBATE

WASHINGTON, D.C., Jan. 16.—Premier Mussolini and his administration of Italian affairs were the subject of debate in congress, a violent attack and a staunch defense being offered of the European statesman.

The debate was the result of the calling up of the resolution for the acceptance of the Italian war debt settlement. Representative Rainey of Illinois charged that the state department had suppressed information relative to an attack by the Fascisti on the American vice-consul at Leghorn, Italy. Congressman Burton of Ohio replied that the state department had found that the Fascisti did not know that the consul was an American.

Hemorrhoids

Or piles are quickly relieved by Dr. Chase's Ointment.

It is a serious matter to have piles and one person in four has them at one time or another. The annoyance and distress is great. It is difficult to obtain lasting relief. So much so that your physician may tell you that a surgical operation is necessary. That is unless he is familiar with Dr. Chase's Ointment for many doctors recommend this treatment to their patients.

For nearly half a century Dr. Chase's Ointment has been the never failing relief for itching, bleeding and protruding piles. It is now very generally known by the medical profession, and the public generally, as the standard treatment for this torturing ailment.

Ask your friends about Dr. Chase's Ointment for "users are boosters" in this case. Relief comes quickly and you can obtain the ointment at any drug store.
