Fair Board Agrees to Secure Duplicate of Prize Display From South.

night it was agreed to bring minster fair to the local exhibition in September at a cost of some \$700. This exhibit will be displayed by men who are experts at the business and will be a sample for the northern district exhibitors to copy for years to come. This is an exhibit of high educational value and will doubtless be beneficial to district exhibitors. The department of agriculture 6 has been approached, through Hon. T. D. Pattullo, to bear a proportion of the cost as it is viewed; purely in the light of an educational project.

"A letter was received from the New Metlakatla, Alaska, concert hand offering to play at the fair for the sum of \$550. As the board and already engaged the services of the Kincolith band this offer was laid on the table.

A letter was also read from New Metlakatla baseball team, offering to come down here to play. series of games during fair The matter is receiving further consideration by the TO EXCAVATE
