DISCUSSION ON FISH TRAPS AT BOARD MEETING

Matter of Canadian Fishing Company's Application to be Further Considered

The question of the operation of fish traps on the American border was discussed at some length by members of the board of trade and a special meeting of the council of the board is to be held soon at which it will be further thrashed out.

Milton Gonzales, representing the Canadian Fishing Co., opened the discussion. They had taken over the Wales Island interests which formerly operated three traps right on the boundary. They had been told that if they built new traps they would be allowed to operate but on finally applying for licenses were unable to get them until pressure had been brought to bear and then it was only for one season. Now they had the traps which had cost a large sum and they could not secure licenses owing to the presentation of a petition from this port opposing them.

Precedent Feared

The traps did not affect the trolling or seining and the fishermen acknowledged that. All the fishermen were afraid of was that a precedent might be set and other traps would follow. They had taken the matter up with many of the fishermen and while they acknowledged the justice of the claim to a license, they would not sign a petition to that effect.

The fish at the points where the traps were to be located ran in the direction of Alaska and would be taken by the American traps. Last year in that neighborhood there were 23 traps but this year the number had increased to 32.

In the Canadian Fishing Company's traps last year 105,000 fish were taken and out of this large number only 2,400 were cohoes and 52 springs. This was a very small number. The others were the cheaper grades of fish, pinks and dogs.

Labor Council

The matter had been taken up with the Trades and Labor Council but they had refused to act unless on the recommendation of the fishermen.

The board of trade had some years ago gone on record as opposed to fish traps and he asked that in this case they reconsider their decision. The company was entitled to at least get out what they had put in.

F. G. Dawson explained the situation in regard to the department at Ottawa. A petition signed by 600 men had been presented against traps and a pledge had been given by the minister of fisheries that no trap licenses would be issued. He, personally believed in this case the traps were justified but he would like to see the matter thoroughly investigated and no snap judgment given. The fisheries committee should report on the matter.

Olof Hanson, the chairman also urged further investigation before a decision was given.

Not Injurious

G. W. Nickerson strongly urged the granting of the licenses. In this particular case the Americans would get the fish if Canadians did not. The trollers had known all along that these traps did not hurt them. He believed that the stand taken by the board in the past should not apply to this case. Pinks and dogs must be caught cheaply. His opinion was that the traps were less injurious to fishing than the seine.

Mr. Hanson mentioned that the fishing population was what Prince Rupert had to depend on and the board should not do anything against their interests.

It was then moved by F. G. Dawson, seconded by G. W. Nickerson that the matter be referred to the fisheries committee to report to the executive which would have power to act. This was carried.

CERTIFICATES IN FIRST AID

Presentation Made to Successful Candidates by Superintendent Tobey Yesterday

Last evening, in the station waiting room, First Aid Certificates were presented to Canadian National employees of this city by W. H. Tobey, superintendent, Prince Rupert.

Mr. Tobey expressed the pleasure it gave him to be in attendance at an occasion of this nature, and to be able to present the certificate on first aid to the employees at Prince Rupert as the certificates represented the reward for hard study and acknowledged proficiency in the subject of first aid. Mr. Tobey then read a message from J. Cook, first aid organizer, Canadian National Railways, Winnipeg.

First aid certificates and first aid buttons were then presented to Miss Violet B. Taylor and Miss Reta B. Johnston, and first aid certificates to Frank Derry, Thomas Wilson, Hugh C. Macdonald, Cecil Rose, Fraser Steves, Albert Leaper, John A Teng, Samuel B. Marshall, John W. Heffernon, Elmer Tullock.

Mr. Teng responded on behalf of the recipients, stating that they were indeed proud to receive the awards. Mr. Tobey expressed the hope that the employees would continue the good work and secure further awards.

The local first aid classes are a part of the Canadian branch, the St. John Ambulance Association.

Milton Gonzales was last night elected a member of the Board of Trade.

LOOSE GAME OF BASEBALL

New Pitcher Loses Game for Gyros to Native Sons

In a loose game featured by poor fielding and wild pitching as far as the losers were concerned and nothing really brilliant on the part of the winners, the Native Sons of Canada shut the Gyro Club out by a score of 13 to nil in the Senior Baseball League fixture last night.

The Gyros started a new pitcher, J. D. Murphy, in the box but it was his first appearance on the diamond in three years and he was unable to settle down and, before he was removed in the fourth inning, the Native Sons, making ten runs, had virtually cinched the game. Tom Clarke was then put in and he allowed a few more runs, Howard Frizzell finishing the last two innings of the seven and allowing no further scoring. Geo. Hill and Charlie McKeown were catchers for the service club. W. Lambie and Dave Balfour comprised the Native Sons' battery for the entire game. The Gyros got men as far as third but it was plainly their off night and they were unable to cross the home plate to avoid the goose egg which they were finally awarded.

One of the bright features of the game was the conduct of a new umpire, Walter Hudson, who, in addition to making entirely satisfactory decisions, did so in a manner that proved amusing to the fans and which, it is said, put the Gyros off their game watching him.

The teams lined up as follows:

Native Sons — Balfour, c.; Lambie, p.; V. Menzies, 1b.; H. Menzies, 2b; W. Mitchell, ss.; Farquhar, 3b.; Jackson, cf.; H. Astoria, lf.; D. Gurvich, rf.

Gyros—Hill and McKeown, c., Murphy, Clarke and H. Frizzell, p.; Clarke and H. Frizzell, 1b.; Hill and T. Tite, 2b.; G. Mitchell, ss.; Moran, 3b.; Skinner, cf.; Howard, lf; T. Tite and Morris, rf.

The league standing to date is as follows:

	W.	L.	Pct.
Grand Terminals	1	0	1000
Native Sons	1	1	500
Gyro Club	1	2	333

DELIGHTFUL DANCE AT NURSES' HOME IN HONOR OF GRADUATES

There was a most delightful little dance given last night at the nurses' home by the graduates and girls in training to the members of the 1926 graduating class, the lady superintendent, Miss Harrison being in charge. Music was provided by Mrs. Ponder, piano; and David Eastman, saxophone, and they were kept very busy.

Refreshments were served at 1 o'clock and dancing was then continued until about half past twelve. At the close the National Anthem was sung.

Among the invited guests were the doctors of the city and their wives.

If I Only Had the Strength

HOUSEWORK is not drudgery to the woman who is strong and well. She takes a pride in keeping the home spick and span and giving it the artistic touches which make home attractive.

But when strength fails and you feel tired and worried there seems no end to disagreeable work. You seem to never catch up and everything goes wrong.
