A Pimply Face Is Unsightly

Miss C. C. M. Smart, South Battleford, Sask., writes:—"A while ago I was troubled with facial blemishes, especially pimples, and was really ashamed to go out with such a bad looking face.

I tried 2 or 3 different remedies, but they didn't help me any, so one day a friend, who had been troubled the same as I was, advised me to use

Burdock Blood Bitters

After I had taken two bottles there wasn't a pimple of any kind left on my face, and I now have a clear, smooth and velvety complexion."
